A final battle for the survival of Earth is coming. Between the alien Others and the destruction of humanity stand four Dissidents. When the Prime Other banishes them to the Harvest Site to live the remainder of their time on earth as slaves, the Dissidents use the opportunity to learn more about the substance that keeps the Others alive...and how they might use it to their advantage. But the Others guard their secrets well, and the Prime Other has proven his willingness to do whatever's necessary to secure a future for his race, no matter what or who is destroyed in the process. When Althea and the boys realize their lives could be the key to allowing another planet to suffer the same fate as earth, they promise they'll die before they let that happen. If they can't figure out how to turn the tables in their favor before the Summer Celebration, they might have to do just that. The end draws near, and there's only one question left—are the Dissidents going to save their chosen people or perish alongside them?

This collection includes all four Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has

some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men. Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . .

**A Hat Full of Sky:** Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! What Tiffany doesn't know is that an insidious, disembodied creature is pursuing her. In the end, it will take all of Tiffany's inner strength to save herself ... if it can be done at all.

**Wintersmith:** When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring—Spring won't come.

**I Shall Wear Midnight:** As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with

her. . . .

The third book in the New York Times Bestselling Rose Gardner Investigations Mystery series. They say the road to hell is paved in good intentions, and Rose Gardner can't shake the notion she's headed there in a handbasket. She feels responsible for the death of a woman she tried—and failed—to save with her visions, and though she intends to do the “right” thing and tell James Malcolm she can't possibly accept his offer of a relationship, she hasn't yet mustered the strength. Worst of all, her sister is terminally ill, and there isn't a thing she can do to save her. When a new case falls into Rose's lap, she eagerly shifts her attention to someone else's problems—except it's Henryetta, and every person, and problem, is somehow connected. The case will bring her back into contact with James, whom she still hasn't answered, and force her to confront her past in other unexpected ways. Meanwhile, Rose and Neely Kate find themselves playing host to an unlikely house guest. Helping the stranger may require them to become more entangled with the crime world, something Rose knows she should avoid. She and Neely Kate have the very best of intentions, but are those intentions ushering them down a path they can't easily leave? Megan Vandemeer meant to tell her parents about her broken engagement, but a month and a half later she finds herself boarding a plane home to her wedding. Having stretched avoidance to its limits, it's time to come clean--a terrifying prospect since her mother is sure to blame her rather than her cheating, emotionally frigid ex. A couple of drinks and two Dramamine later, Megan finds herself spilling her sob story to the tall, dark, and handsome stranger in the seat next to her. With only one week left to save his business, Josh McMillan boards a plane to Kansas City in a last-ditch effort, leaving the details to chance. An unexpected answer is delivered in the form of the beautiful brunette beside him. Though she's completely loopy, her honesty, openness, and humor charm him. So when she passes out before landing, he helps her off the plane--a good deed that leads to a colossal misunderstanding. Her parents assume he's her fiancé. In a twist of fate, the mix-up might help Josh save his business, so he plays along, figuring he can help Megan too. All he has to do is stage a public break up convincing enough to appease her mother. Josh is only supposed to be a substitute groom, but the more time he and Megan spend together, the more their pretend engagement starts to feel real...and the less they want to break it off. Can a relationship that began as a farce turn into happily ever after?

Darcie Weatherby has a full plate--a preteen and sixteen-year-old twins, a wayward grandmother, a nightmare boss, and a manipulative ex-husband. The last thing she needs are hot flashes. Especially ones that start fires. But like most single mothers, Darcie sucks it up and deals with it, because what else can she do? The kids need to be fed, her grandmother needs supervising, and her demanding boss needs placating. Burning her boss's house down was a total accident. Honest. It doesn't take long before Darcie realizes she's running on borrowed time. Unless she figures out a way to get these hot flashes under control, there's a very good chance she'll spontaneously combust at the Founder's Day Masquerade Ball and leave her children motherless. There's no way in hell--or Perry's Fall, Ohio--Darcie will let that happen. Never underestimate the determination of a mother. Especially a smokin' hot one. It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And what will her entanglement with Spence's most powerful girls - and their foray into the spiritual world - lead to?

USA TODAY Bestseller! Scarlett Goodwin's world is divided into Before and After. Before she agreed to tutor Tucker Price, college junior Scarlett was introvert, struggling with her social anxiety and determined to not end up living in a trailer park like her mother and her younger sister. A mathematics major, she goes to her classes, to her job in the tutoring lab, and then hides in the apartment she shares with her friend, Caroline. After junior Tucker Price, Southern University's star soccer player enters the equation, her carefully plotted life is thrown off its axis. Tucker's failing his required College Algebra class. With his eligibility at risk, the university chancellor dangles an expensive piece of computer software for the math department if Scarlett agrees to privately tutor him. Tucker's bad

boy, womanizer reputation makes Scarlett wary of any contact, let alone spending several hours a week in close proximity. But from her first encounter, she realizes Tucker isn't the person everyone else sees. He carries a mountain of secrets which she suspects hold the reason to his self-destructive behavior. But the deeper she delves into the cause of his pain, the deeper she gets sucked into his chaos. Will Scarlett find the happiness she's looking for, or will she be caught in Tucker's aftermath?

Veronica Mars meets the World of Warcraft in *The Unfortunate Decisions of Dahlia Moss*, a mystery romp with a most unexpected heroine. If it were up to me this book would be called *Hilarious Things That Happened That Were Not At All Dahlia's Fault* -- or *HTTHTWNAADF*, for short. OK, I probably shouldn't have taken money from a mysterious eccentric to solve a theft, given that I'm not a detective, and that I am sometimes outwitted by puzzles in children's video games. I probably shouldn't have stolen bags of trash from a potential murder suspect. Arguably -- just arguably, mind you -- it may have been unwise to cos-play at an event where I was likely to be shot at. But sometimes you just have to take some chances, right? And maybe things do get a little unfortunate. What of it? If you ask me, an unfortunate decision here or there can change your life. In a positive way, just so long you don't killed in the process. Admittedly, that's the

tricky bit.

Lexi Pendergraft has given up on finding love after a disastrous encounter with her last boyfriend. Instead, she focuses on two things: One, setting up a summer program for underprivileged middle-school aged students. And the second, getting to the bottom of her brother Reed's recent strange behavior. His secret is destroying his relationship with his fiancée Caroline, and Lexi will do anything to help him save it. Especially after he gave up his dream to give Lexi a chance at a semi-normal college experience, something her parents threatened to steal from her after her rape a year ago. Ben Masterson is determined to make it through his final semester of his senior year at Southern University. After recently losing his full ride scholarship, he's suffering from sleep deprivation while trying to keep up with his mechanical engineering courses and working three part time jobs. He thinks he's lucked out getting a job in the university math lab. The only problem is his boss—Reed Pendergraft. As part of a role in a community theater play, Lexi wears a black wig and feels a confidence she hasn't experienced in over a year. When she wears it to a bar close to the theater, she doesn't think Ben, a bartender there, recognizes her. While Ben's intrigued about what she's up to, he's smart enough to stay far away from his overprotective boss's sister. Until fate forces him to help her, but why won't she tell him her real

identity?

For more than four hundred years, the Curse Keepers guarded the barrier between the human and spirit realms. All that changed the day Ellie Lancaster met Collin Dailey. Prophecy demanded they defend the world from evil...even as it ignited a passion that threatened to consume them both. Now Ellie faces a frightening new life, abandoned by the man she loves and tormented by malevolent spirits unleashing their vengeance upon the earth. Her only shot at protecting humanity--and herself--from the demon scourge is to claim the mark of the god Ahone as her own. Finding it means trusting Dr. David Preston, a handsome professor of Native American studies whose skepticism is surpassed only by his attraction to Ellie. Together they must finish what the Curse Keepers began, defying the forces of darkness to face hell on earth--and unlock the truth of Ellie's destiny.

A Work in The Guy Series Anthony Carrino loves his big, gregarious Italian-American family, even if his sisters are interfering, and his dad, the local sheriff, knows everything going on in town. He's happy as a middle school guidance counselor. Despite helping kids and their parents fix their problems, Anthony can't manage to get his own love life right. If only everyone would stop calling him the "nice" guy. Dean Pierce doesn't do relationships. A tough-minded military man, he is dedicated to his job as a

Night Stalker, flying Chinook helicopters and not speaking much to anybody. He certainly doesn't want to deal with a mess of emotions. But when tragedy strikes, Dean finds his hands full with his troubled niece, her irresistible guidance counselor, and a meddlesome family, which includes a rather large puppy.

Falling madly in love and beginning what she believed would be the perfect marriage with Hollywood leading man Alex Rivers, renowned anthropologist Cassie Barret is heartbroken when their fairy-tale romance falls apart. Reissue.

The penultimate book in the Carly Moore Series For six months, Carly Moore has been trying to bring down the town patriarch, Bart Drummond. Everyone knows he's behind a "favor" system that has often ended in murder, but no one has ever been able to prove it. Until now. Carly has a lead that might crack the case wide open but her investigation comes to a screeching halt when someone close to her is killed. Now her only goal is to bring the killer to justice. But the more she digs, the more she can't help but wonder if the murder is the handiwork of Bart Drummond after all...

Based on his extensive experience in international librarianship, Peter Johan Lor, South Africa's first National Librarian and a former Secretary General of the IFLA, has written the first comprehensive and systematic overview of international and comparative

librarianship. His book provides a conceptual framework and methodological guidelines for the field and covers the full range of international relations among libraries and information services, with particular attention to the international political economy of information, the international diffusion of innovations and policy in library and information services, LIS development and international aid. It concludes with a discussion of the practical relevance and future of international and comparative studies in LIS. See a short interview with Peter Lor on his work

The sixth book in the Rose Gardner Investigations series. For months, Rose has suspected her ex-brother-in-law, has a foot in the criminal world, and she's equally sure her deceased sister had the evidence to prove it—evidence stolen days just days after Violet's death. Those suspicions turn concrete when a body shows up at the construction site Mike works at, and the concrete cracks open wide when her niece and nephew go missing. Rose might be weeks away from delivering her own baby, but that doesn't stop her and her best friend, Neely Kate, from looking for the kids. She needs answers and fast, but her search leads her to the man who betrayed her months ago... the father of her baby. James "Skeeter" Malcolm has been playing games with her for months—refusing to relinquish her

paternity but refusing to tell her why. James knows what Mike is up to—Rose is sure of it—but can she convince him to tell help before it's too late?

The *New York Times* bestselling first book in the *Rose Gardner Investigation* series by *New York Times*, *Wall Street Journal*, and *USA Today* bestselling author Denise Grover Swank. Trouble always comes to those who court it. Rose Gardner's ability to see glimpses of the future has gotten her into hot water time and again, but so have her curiosity and her sense of daring. Those very qualities helped her defeat the most powerful man in Arkansas—a man so adept at hiding his crimes there

was no way to defeat him inside of the law—but her success came at a steep personal price. Now she's throwing herself into her landscaping business, trying to live a life that's as orderly as one of her gardens.

Rose's best friend, Neely Kate, is struggling with her own losses, so when she suggests they help a local man find a missing necklace, Rose agrees. It'll give both of them a welcome distraction, and besides, it's a simple investigation. What harm could befall them? But things that should be simple rarely are. In seeking out the necklace, Rose and Neely Kate find themselves in the thick of a power struggle in the Fenton County underworld, one that could dethrone Rose's friend James Malcolm, the surprisingly moral king. The last thing Rose should do is court more trouble, but she's not the type to step away from a friend in need—and she's also not so sure she wants an orderly life.

An abandoned infant. Three victims stolen in the night. Can one overworked detective find the Christmas connection to save them all? London, 1999. Short-staffed during Christmas week, Detective Jack Rutherford can't afford to spend time on the couch with his beloved wife. With a skeleton staff, he's forced to handle a deserted infant and a trio of missing girls almost single-handedly. Despite the overload, Jack has a sneaking suspicion that the baby and the abductions are somehow connected... As he fights to reunite the girls with their families before Christmas, the clues point to a dark secret that sends chills down his spine. With evidence revealing a detestable crime ring, can Jack catch the criminals before the girls go missing forever?

Roman Valdez is the Devil. He sneers at me. He hates me. He wants to hurt me. Let him try. He thinks he's untouchable. The self-appointed Devil of Sun Valley High. But I've already lost everything and everyone I care about. It's me he should be afraid of. Not the other way around. Because I have nothing left to lose, and he can't break what's already broken. At least, that's what I thought. But when the Devil begins picking up the pieces, I realize while he might not break me. He can absolutely shatter me, heart and soul. And I just might let him.

The last person she wants might be the second chance she needs. \*\*\*Standalone romance with a HEA!\*\*\* Adalia Buchanan broke up with art, but it won't break up with her. So she paints in secret, then destroys her work. Her mentor stole her art months ago, and she'll never share her work again. After he sold his brewery, Finn Hamilton's life was supposed to be on an upward trajectory. Instead, he's lost his way. When he stumbles upon Adalia destroying her painting, two thoughts come to mind: one, she looks like a Valkyrie with blonde hair swinging and paint flying from her blade, and two, she's talented. Very talented. Suddenly, she's no longer the sassy sister of his best friend's girlfriend—she's an intriguing, beautiful woman he's dying to get to know

better. Too bad Adalia, who's infatuated with *Pride and Prejudice*, thinks he's arrogant and conceited, a modern-day Mr. Darcy. Then again, Elizabeth Bennett changed her mind about Darcy, so there may be hope for them yet...if they can survive an evil cat, a goat-obsessed artist, and their meddling families.

In 2015, a race of alien Others conquered Earth. They enslaved humanity not by force, but through an aggressive mind control that turned people into contented, unquestioning robots. Except sixteen-year-old Althea isn't content at all, and she doesn't need the mysterious note inside her locket to tell her she's Something Else. It also warns her to trust no one, so she hides the pieces that make her different, even though it means being alone. The autumn she meets Lucas, everything changes. Althea and Lucas are immune to the alien mind control, and together they search for the reason why. What they uncover is a stunning truth the Others never anticipated, one with the potential to free the brainwashed human race. It's not who they are that

makes them special, but what. And what they are is a threat. One the Others are determined to eliminate for good.

As the fallout from J.R. Simmons death begins to settle, some of the victims are still dealing with the results of that deadly night. Rose mourns the changes in her life and struggles to move on. Neely Kate is devastated when Joe leaves Henryetta two weeks after his father's death and refuses to speak to her. Joe is left dealing with his father's business and the consequent FBI investigation, while he wonders where he belongs. But when Rose's former neighbor's family dog runs away, Neely Kate convinces Rose to look for the pet and both discover a few things about themselves in the process. It's hard to deny a Devil ?Especially one who promises you a night you'll never forget. One night. No exchanging names. No exchanging numbers. That was the deal we made. I was moving away. I'd never see him again and I wanted to leave Sun Valley with zero regrets. Only I got more than I bargained for and nine months later delivered a bundle of joy complete with ten tiny fingers and ten perfect toes. A year and a half later, I'm back. And this Devil is no longer the devil in my dreams. Now he haunts my nightmares. He's savage. He's sinful. And I'm barely a blip on his radar. I came with good intentions. Determined to tell him the truth. But with so much on the line, I'm beginning to reconsider. Because making a deal with the devil again just might be another mistake.

New York Times bestseller! Most teens dream of visiting the City of Lights, but it feels more like a nightmare for Sophie Brooks. She and her brother are sent to Paris to

spend the summer with their father, who left home a year ago without any explanation. As if his sudden abandonment weren't betrayal enough, he's about to remarry, and they're expected to play nice with his soon-to-be wife and stepdaughter. The stepdaughter, Camille, agrees to show them around the city, but she makes it clear that she will do everything in her power to make Sophie miserable. Sophie could deal with all the pain and humiliation if only she could practice piano. Her dream is to become a pianist, and she was supposed to spend the summer preparing for a scholarship competition. Even though her father moved to Paris to pursue his own dream, he clearly doesn't support hers. His promise to provide her with a piano goes unfulfilled. Still, no one is immune to Paris's charm. After a few encounters with a gorgeous French boy, Sophie finds herself warming to the city, particularly when she discovers that he can help her practice piano. There's just one hitch—he's a friend of Camille's, and Camille hates Sophie. While the summer Sophie dreaded promises to become best summer of her life, one person could ruin it all.

"The terrifying finale is a doozy, and Ky is a capable (can you say muay thai?), whip-smart, snarky joy. Readers will follow her anywhere, no matter how dangerous. Dark and thrilling." —Kirkus When her FBI agent father is framed for murder, Kylene is forced to move in with her grandfather, back to the small town that turned its back on her, and the boy who betrayed her. All Ky cares about is clearing her father's name, but someone won't let her forget the photo scandal that drove her away two years

ago. As the threats gain momentum, Ky finds an unlikely ally in the rookie FBI agent sent to keep an eye on her. Determined to expose the town's hidden skeletons, Ky unwittingly thrusts herself into a much bigger plot. They thought she'd forgive and forget. They're about to learn they messed with the wrong girl. "A quick-witted heroine, a fast-paced plot, and a twisty whodunit mystery kept me on my toes. Fans of Riverdale will adore Kylene Danners and devour this suspenseful story." —USA Today bestselling author K.A. From the moment she met bad boy Enzo Saldana, she was his... One look was all it took for Lexi Mayfield to crave him. One touch on the dance floor was all it took for lust to blaze scorching-hot. Whoever said there was no such thing as love at first sight had obviously never seen Enzo Saldana's, ripped, mouth-watering body. And it seemed he wanted to use that body to worship her... But fate has other ideas for her. In the blink of an eye, love and lust turns to tragedy and death, and sex is the only way to make amends for her sins... She had the face of an angel and a body to rival the Venus the Milo's... A lethal combination on a good day. Meeting the woman who'd shattered his heart and his trust after a year apart seemed like fate was handing him a chance for payback. Enzo will recover what was taken from him and this time there will be no talk of the past, no hope for a future... only a bed, two bodies and scorching redemption of no-holds-barred sex...

**NOW IN PAPERBACK-FROM THE AUTHOR OF**

MARSBOUND Grad- school dropout Matt Fuller is toiling as a lowly research assistant at MIT when he inadvertently creates a time machine. With a dead-end job and a girlfriend who left him for another man, Matt has nothing to lose in taking a time-machine trip himself—or so he thinks.

**\*\*Intended for mature readers due to sexual content and language\*\*** While fashion design major Caroline Hunter may have been born economically unlucky, in college, she's been lucky in love. Until her senior year at Southern University. She's gone from a serious long term boyfriend to a string of crappy dates. Then she meets mathematics grad student Reed Pendergraft. Reed is everything she's not looking for. Serious. Headed for a low paying university job. Boring. Caroline spent the first eighteen years of her life wondering where her next meal was coming from. She sure wasn't getting trapped in that life again with a man living on a professor's salary. An encounter with Reed in a club proves she might have pegged him wrong. He brings out a lusty side she never knew she had. But just when she's about to give in to her hormones, Reed makes a fool out of her. When she shows up for the first committee meeting for Southern University's Fall fashion show, a fundraiser for underprivileged kids, Caroline's horrified to discover the insufferable Reed is the committee chairman. While she refuses to tolerate his totalitarian rule of the committee, she's not sure she'll survive the month with her heart—and her pride—intact. Just when she thinks she has everything figured out, she finds that her entire life has been

redesigned, thanks to Reed Pendergraft. \*\*\*\*\*

Redesigned is a lovely surprise in all the best ways - how quickly you'll fall for the characters, their unstoppable chemistry, and the ability of their story to take you from laughing to crying and back again. Denise has hit the New Adult nail on the head with this one, and I loved every single page! Lyla Payne, author of *Broken at Love*, USA Today bestseller The title of this book is apropos on several levels; not only does it fit the story, but it serves to express the way in this book is major leap forward for the author. She didn't merely write the next book in the series, she pushed forward and took risks, redesigned her approach to the story she was telling. Bravo, and I can't wait for more. Jasinda Wilder, author of *Falling Into You*, New York Times and USA Today bestseller *Pretty Little Liars* meets *Riverdale* in *Don't Say a Word*, a standout YA mystery from indie-pub favorite Amber Lynn Natusch. Kylene Danners's ex-FBI agent father is in prison for murder and she's hell-bent on getting him out. But trying to investigate in the small town where a defensive lineman is a hero no matter who he tries to kill and the girl who gets him locked up is public enemy number one is dangerous. Dark secrets are everywhere in Jasperville—the kind Ky can't walk away from. When rookie FBI agent Cedric Dawson returns to town to finish an open investigation, he goes undercover at her high school—as her ex. Determined to keep her from interfering, Dawson's plan backfires after Ky gets an anonymous call about missing girls officially labeled as runaways—runaways that didn't really run away at all. Because dead girls can't run. And they don't say a

First love is better the second time around. Matt Osborn had no idea coaching his five-year-old nephew's soccer team would get him so much attention from the mothers-attention he doesn't want now that he's given up on love and having a family of his own. Yep, Matt's the last of his bachelor buddies, and plans on staying that way. That is, until he finds himself face-to-face with the woman who broke his heart. Single mom Anna paused her life in England to help her father recover from an illness. She can't afford complications, and too-hot-for-his-own-good Matt Osborn-her almost former fiancé-is definitely a complication. He's a reminder of what might have been-or should have been. That irresistible pull between them isn't over. Not even close. But if she's not careful, she'll break both their hearts . . . again. After a whirlwind romance, a man with a painful past learns to trust the musician who makes him believe in happy endings. Matt Argento knows what it feels like to be alone. After a childhood of abandonment, he never imagined someone might love him—much less someone like Rhys Nyland, who has the voice of an angel, the looks of a god, and the worship of his fans. Matt and Rhys come from different worlds, but when they meet, their chemistry is incendiary. Their romance is unexpected, intense, and forever—at least, that's what their vows promise. Suddenly, Matt finds himself living a

life he never thought possible: safe and secure in the arms of a man who feels like home. But when Rhys leaves to go on tour for his new album, Matt finds himself haunted by the ghosts of his past. When Rhys returns, he finds Matt twisted by doubt. But Rhys loves Matt fiercely, and he'll go to hell and back to triumph over Matt's fears. After secrets are revealed and desires are confessed, Rhys and Matt must learn to trust each other if they're going to make it. That means they have to fall in love all over again—and this time, it really will be forever. Roan Parrish's pitch-perfect Riven novels can be read together or separately: RIVEN | REND Praise for Rend "[Parrish] deftly balances the darkness with a passionate romance that's heartbreakingly tender, romantic, and moving. . . . This is one second-chance love story that will twist you up, wring you out, and then leave you wanting more."—All About Romance "Melancholic . . . truly magical."—My World of Books "If you loved Riven, then there's no doubt that Rend will capture your heart."—The Written Voice of Is "A touching and flawless second installment of the Riven series . . . [Rend is] beautifully written and delivers some remarkable characters."—The Romance Reviews

**Bosshole** (?b?s - ?h?l) -noun 1. A person who turns into a massive jerk ten seconds after being made supervisor. 2. An employer completely devoid of empathy or concern for anyone else. 3. A manager with whom you often disagree. Also see: jerk boss, a\$\$hole, egomaniac

Do you know the one thing you should never do at work? Your boss. Sadly, following that particular piece of advice is much easier said than done. Ronan Maxwell is hands

down the sexiest man I've ever met. He's also the pushiest, most demanding, and most arrogant S.O.B. on the planet. And even though I can't stand him, I never stop wondering how his ridiculously pretty mouth would feel against my skin. Or whether or not that bulge in his pants is as impressive as it seems. For two years, I had it under control. But then one late night, all that changed. Now that I know firsthand how electrifying his touch can be, I want him more than ever. And the longer we continue this twisted relationship, the softer my heart gets. I have no idea what the future holds, but one thing I know for sure--this man has the power to break my heart. And that's one thing I can never let happen.

\**Billionaire Bosshole* is the third installment in the *Bedding the Billionaire* world. It is a full-length interconnected standalone novel.

past for clues, but Magnolia doesn't limit herself to secondary sources. Her father is still in town, very intent on a reunion, and her brother might finally be ready to talk about their shared past... As the situation escalates, Magnolia discovers that she has inherited her mother's steel backbone. It will help her distinguish friend from foe, and it might just be her best hope for surviving her curtain call.

The first book of the New York Times, Wall Street Journal, and USA Today bestselling series!"Though much of the book is light-hearted and occasionally outright hilarious, the author sneaks in a few home truths along the way that will hit you where it counts, like how even someone's best intentions can box you in."

--Everybody Needs a Little Romance"This was one of those books that I kept telling myself one more page, then I need to put it down. Instead I found myself tearing through the book instead, needing to know the outcome."

--Just Jump Book Reviews"A southern mystery full of romance and fun!" --Goodreads review\*\*\*\*For Rose Gardner, working at the DMV on a Friday afternoon is bad even before she sees a vision of herself dead. She's had plenty of visions, usually boring ones like someone's toilet's overflowed, but she's never seen one of herself before. When her overbearing momma winds up murdered on her sofa instead, two things are certain: There isn't enough hydrogen peroxide in the state of Arkansas to get that stain out, and Rose is the prime suspect. Rose realizes she's wasted twenty-four years of living and makes a list on the back of a Wal-Mart receipt: twenty-eight things she wants to accomplish before her
