Monitor your expenses, build a budget, and stick with it Make the most of a modest salary and still have money to spare Keep your credit in check and clean up credit card chaos Start and succeed at your side hustle Build a nest egg and invest in your future Transform your money mindset and be accountable for your financial well-being Feel the power of real-world stories from other “clever girls” Put yourself on the path to financial success with the valuable lessons learned from Clever Girl Finance.

While the elders and adults struggled to keep secrets in the midst of stolen shoes, stolen dreams

and misbehavior the four year old professor desperately held onto his desire for the future and his urgency to be an adult. The older the professor got the stronger his vision became and it wasn't long before hidden secrets were exposed. Although the names have been changed, the people are real and the story is true right down to the little professor's vision of Esta.

Live Your Worth is a practical guide to living out your worth in every area of your life. Join author, consultant and instructor Daniela Jean, on this journey to valuing your purpose and living out your greatness. The days of downplaying your brilliance are gone! Take the journey to maximizing your potential and allowing your worth to shine bright daily!

One of the most important assets you have is your earning ability: your ability to do something that other people will pay you for. This asset can be valuable and increase each year, or it can be stagnant and flat. Your greatest financial responsibility is to organize your time and your work so that you earn the very most possible throughout your lifetime. Earn What You're Really Worth will show you how. This book will be the bible of career advancement for your indefinite future. These tested, proven strategies will save you years of hard work and thousands of dollars of lost income. You will learn how to organize your life to ensure that you are earning the very

maximum at every stage of your career. *Earn What You're Really Worth* is for every person who works in any competitive industry, including staff members or executives who want to earn more money, people in job transition, students entering the workplace, and every unemployed person who wants to get back into the workforce.

For many women, "living your best life" is just a slogan. It sounds great, but when it comes to having practical steps that can take it from a cute poster or social media post, to their actual existence, most do not have the tools. *Sis, You're Worth It: Seven Ideas for Manifesting Your Best Life* takes "living your best life" off the wall and provides women with seven powerful ideas that help them to get clear about what their best life is and how they can manifest it. While the ideas are not new, they are when used this way. They are powerful, life-changing approaches to living an authentically successful life, which is what it means to live your best life. This isn't society's definition that's heavy on the external stuff - material possessions that can never, ever fill the inner void. This is manifesting your best life from the inside-out. It's creating a life where you certainly manifest the external stuff, but your enjoyment of them is magnified because they do not define you. This is living the life you were born to live, expressing your unique gifts and talents, standing in your truth, being and doing YOU. This is leaving it all on the playing

field of life - taking zilch with you to that great graveyard of unfulfilled dreams and unlived lives.

This is living your best life!

With all the negative noise in the world, do you have a hard time connecting with God? Do you struggle with knowing who God says you are? Do you know who you are and where your worth comes from? Finding Your Worth in Christ seeks to help you answer those questions. Author Joele S. Leith draws on the years she spent learning about her own identity and that of God through the eyes of the world. Now she explores how to tune out the messages of the world and help you see yourself through the eyes of your creator. Leith offers simple instructions through God's Word on how to better hear Him and where true worth comes from.

Through this guidance, you can get into alignment with God and all He has prepared for you to help you navigate your best life in this world. Uplifting and encouraging, this spiritual guide presents an approach for identifying your worth in Christ that can help you build a better, more prosperous life.

A guide to achieving financial stability and prosperity encourages new ways to think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt.

THE INSTANT SUNDAY TIMES BESTSELLER

'Anna's wise, uplifting and refreshingly honest words

are what every woman needs to read right now' Fearne Cotton Your worth never changed. Your awareness of it did. A strong understanding of self-worth is crucial to living an authentic and fulfilling life, yet so many of us have lost that sense of who we truly are and what we are worthy of. On the surface, this may look like low confidence, imposter syndrome, chronic busy-ness, exhaustion, overwhelm, fear or anxiety, but at the core, it's low self-worth. In her second book, Sunday Times bestselling author and psychotherapist Anna Mathur will set you on a journey towards greater self-worth. Anna will use her personal and professional insight to guide you to a place of balance that will allow you to recognise and appreciate your self-worth, build your self-esteem, grow in confidence and worry less about what other people think. Using Anna's own experience of embarking on this journey herself, and spending ten years facilitating her therapy clients to do the same, Know Your Worth will help you to understand why you feel the way you do, what perpetuates it and what the cost of low self-esteem has been for you. It will provide the coping mechanisms, habits and tips that will redirect your self-esteem on a healthy and fulfilling upward spiral and help you to escape the relentless desire to 'be better' and 'do more' with the realisation that perhaps you were actually far more acceptable than you first thought.

Untangle your emotions and expectations about money so that you can live your best financial life. Without fear and shame holding you back, it's more possible to move past all those social barriers to actualizing whatever your money aspirations are, whether that's getting a raise, getting out of debt, having honest conversations about money with your family, raising your kids to be savers, or wherever your values lead you. Dr. Faith, author of the bestselling *Unf*ck Your Brain* and *Unf*ck Your Intimacy*, tackles one of the toughest emotional topics there is with her trademark mix of neuroscience, gentle encouragement, and no-nonsense language. This book isn't about getting rich quick (or necessarily at all)—it's about figuring out your own economic values and baggage, and learning to be the person in the world you know you have it in you to be.

How do you create work that brings the respect of the market, the value in your bank account, and the positive influence in the world? Inc. columnist and successful entrepreneur Damon Brown breaks it down in the thoughtful *Bring Your Worth: Level Up Your Creative Power, Value & Service in the World*. The follow-up to the best-selling series *The Bite-Sized Entrepreneur*, *Bring Your Worth* takes the proven methods from Damon's keynotes and coaching practice and puts them into a strong, focused package perfect for both independents and traditional businesspeople interested in making their best impact in the world.

If you are reading this, you or a woman you know isn't being fairly compensated. From one of the top resume experts in the country, *Know Your Worth, Get Your*

Worth: Salary Negotiation for Women is your front row seat to all the insider secrets of the world of compensation and how you can use this information to your advantage. From quantifying your value in today's market, to teaching you how to ask for it, this book will give you never-before-shared advice on the perfect resume and cover letter from the perspective of a compensation expert. You will also learn how to craft your negotiation by using your nonverbal language and that of others to your advantage. This book is your secret weapon to a higher salary. Oh, and did we mention we are on a mission to close the gender wage gap? We are here to help women all over the world. For this reason, we are donating 10% of the profits from each copy sold to small organizations working to reintegrate women and children victims of human trafficking into society. This means YOUR purchase will directly help give victims of human trafficking the tools to a new life. Know your worth, and get your worth. Enjoy!

From the NPR host of The Indicator and correspondent for Planet Money comes an “accessible, funny, clear-eyed, and practical” (Sarah Knight, New York Times bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of Feminist Fight Club, Lean In, and Nice Girls Don't Get the Corner Office. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers

in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli “with this delicious look at what we have to gain by examining our relationship to power” (Sally Helgesen, New York Times bestselling author). Using *The Prince* as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. “Machiavelli For Women is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must read for every woman ready to wield power unapologetically” (Claire Shipman, coauthor of *The Confidence Code*).

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized “money stories” that have nothing to do with what is really possible. As the founder of

DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. *Worth It* outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures. The instant #1 NEW YORK TIMES Bestseller "A must read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious." —PopSugar From the worldwide bestselling author of *Eat Pray Love* and *City of Girls: the path to the vibrant, fulfilling life you've dreamed of*. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert's books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace

our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the “strange jewels” that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, *Big Magic* cracks open a world of wonder and joy.

Experience the life-changing magic of self-love! You need love from yourself as much as from others. When you have low self-esteem, low confidence or even self-hatred, it's impossible to live life to the fullest. It's time to build your self-love and transform your attitude, emotions and overall outlook on life! This helpful workbook allows you to become aware of your own unique needs and goals while discovering how to better accept and love your true self. It includes a variety of constructive and actionable tips, tricks and exercises, including:

- Interactive Activities explore a variety of fun and creative ways to love yourself
- Reflection Prompts unpack your experiences and connect them to new lessons
- Helpful Advice deepen your understanding of self-love and utilize it in the real world

Self-love allows you not only to see your true self, but to truly accept who you are wholeheartedly. With this acceptance comes the freedom and confidence to live your life to its fullest. It's time to conquer self-doubt and self-sabotage. It's time to

love yourself!

The deliberate devaluation of Blacks and their communities has had very real, far-reaching, and negative economic and social effects. An enduring white supremacist myth claims brutal conditions in Black communities are mainly the result of Black people's collective choices and moral failings. "That's just how they are" or "there's really no excuse": we've all heard those not so subtle digs. But there is nothing wrong with Black people that ending racism can't solve. We haven't known how much the country will gain by properly valuing homes and businesses, family structures, voters, and school districts in Black neighborhoods. And we need to know. Noted educator, journalist, and scholar Andre Perry takes readers on a tour of six Black-majority cities whose assets and strengths are undervalued. Perry begins in his hometown of Wilkinsburg, a small city east of Pittsburgh that, unlike its much larger neighbor, is struggling and failing to attract new jobs and industry. Bringing his own personal story of growing up in Black-majority Wilkinsburg, Perry also spotlights five others where he has deep connections: Detroit, Birmingham, New Orleans, Atlanta, and Washington, D.C. He provides an intimate look at the assets that should be of greater value to residents—and that can be if they demand it. Perry provides a new means of determining the value of Black communities. Rejecting policies shaped by flawed perspectives of the past and present, it gives fresh insights on the historical effects of racism and provides a new value paradigm to limit them in the future. Know

Your Price demonstrates the worth of Black people's intrinsic personal strengths, real property, and traditional institutions. These assets are a means of empowerment and, as Perry argues in this provocative and very personal book, are what we need to know and understand to build Black prosperity.

When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find peace? Yes! According to master integrative coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing our limiting beliefs about how we feel—and that requires more than just learning how to invest. In *Worthy*, Nancy makes an essential, eye-opening connection: the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed to replace feelings of unworthiness with a solid sense of our own value. Filled with inspiring real-life stories and thought-provoking questions and answers, her 10-step plan helps us to:

- Get real about the money issues we face every day
- Examine the excuses we use to avoid creating the life we really want
- Be willing to see ourselves as worthy of abundance in all its forms
- Take back our financial power—and watch amazing things start to happen

Whether we're looking for financial ease or a new relationship with money and ourselves, *Worthy* will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.

A guide to achieving financial stability and prosperity by the co-authors of *The Two-Income Trap* encourages readers to

change the ways they think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt. 150,000 first printing.

Struggling with debt? Frustrated about work? Just not satisfied with life? The Simple Dollar can change your life. Trent Hamm will show you how to rewrite the rules, creating healthier relationships with money... and with your loved ones, too. With his help, you can get out of debt, start moving forward, and build the strong personal community that offers true happiness—no matter what happens to the economy.

- Escape the plastic prison, and stop running to stand still
- 5 simple steps to eliminate credit card debt... and 5 more to start moving forward
- Shift your life's balance towards more positive, stronger relationships
- Learn how to put the golden rule to work for you
- Discover the power of goals in a random world
- Then, learn how to overcome inertia, and transform goals into reality
- Navigate the treacherous boundaries between love and money
- Move towards deeper communication, greater honesty, and more courage

In *Get Paid What You're Worth*, Robin L. Pinkley and Gregory B. Northcraft tell you how you can begin getting paid what you're worth--today! -Learn why there may be more money available for you than you think -Find out how to "expand the

pie" so you earn higher compensation -Get the confidence to turn your strategic thinking into specific action -Benefit from a panel of negotiations experts and their decades of experience This inspirational message is for People that don't believe they are worth anything or have created their identity through the lens of what others may have said or even spoken over their life. I believe people want to hear from someone that can actually identify of how it feels to not know your worth. They may be stuck with themselves, relationships, or even marriages. There is a prayer included that you can say and believe that you can begin to forgive yourself and move on knowing the value that God has place within you for your destiny and purpose for such a time as this.

The third in Paul Selig's popular "I Am the Word" channeled literature series, this extraordinary psychological-spiritual guide addresses how to overcome low self-worth and claim our true purpose as individuals. Winner of the 2014 Nautilus Award represents "Better Books for a Better World"—the Silver Award in the category of Religion /Spirituality: Other Traditions. In his third channeled text, Paul Selig—acclaimed author of *I Am the Word* and *The Book of Love and Creation*—brings us his most practical message yet. Informing us that "you decide what you are worth," Selig's spiritual guides take readers through a program to understand our own inherent worth, and beat the fears that drain our inborn spiritual knowing.. Selig reveals that true understanding of our life's purpose can be found through "service"—the practice of the thing that you most love. Readers can discover their own form of service through this powerful mantra: "I know who I am, I know what I am, I know how I serve."

As a psychotherapist for 21 years, I've noticed one thing that many of my clients of all ages have in common. It is that they don't know their own value as a human being. The three areas this most often plays out is in how they see themselves,

how they present themselves at work, and how they interact with others in their lives. This book looks at different aspects of all three areas. In addition to helping readers to recognize their worth, this book lists ideas in each section teaching how to know your worth and exercises to practice at the end of each section. When finished with this book, readers will know both how to recognize their own worth and make sure that others recognize it as well.

Earn Your Worth : a Step-by-Step Employee Guide to Earning the Income You Deserve will help move you from under paid and under-appreciated to highly valued, respected and compensated.

The author interviews a number of prominent women--including comedian Susie Essman, writer and director Nora Ephron and TV personality Joy Behar--to reveal the ways that everyday women can achieve their deserved recognition and financial worth in today's professional world.

Geared towards women, but welcome to all, the author wishes for you to learn how to accept yourself as you are and add positivity to the world. With contributions of 31 people through honest interviews and powerful photos, get a glimpse of what happiness and self-love means to others. Kirsten considers *Discovering Your Worth: Happiness Through Confidence* a step-one guide to living your best life. Gain valuable pieces of advice to use in your daily lives to appreciate yourself and never apologize for searching for your happiness. With the help of fictional characters created to offer examples of

improving positivity and welcoming the change that you desire, define who you are and share your worth with those around you.

Miami-based financial advisor Victoria Lowell has spent countless hours with women going through the worst times of their lives: women who are newly widowed or grieving an unexpected divorce; women who just found out the family business is bankrupt or perhaps need to start paying alimony to an unfaithful husband. Vicky has also watched the perceived self-worth and confidence of numerous clients skyrocket, as they learn money management strategies to care for their families no matter the circumstances. Their success in personal finance leads to greater self-help and improvement, better health and stress, and the ability to take charge of their financial futures. Out of these experiences comes *Empower Your Worth*, a book that reads like a heart-to-heart chat over coffee with a compassionate friend who just happens to know everything you need to know about managing money. By sticking to the essentials, Lowell has written a book that is quick and easy to digest, a two-hour short read for women from all backgrounds that grants insight into how to achieve greater financial prosperity. We provide comprehensive guidance on where to focus your limited time and energy, no matter the situation, and keep you in control of your money. **EMPOWERED WORTH(TM)** strives to create a movement where women become an important part of the financial planning process, for themselves and their families. It more easily and effectively allows women to take a seat at the drafting board of their futures. Visit

www.empoweredworth.com to learn more about Lowell's on-demand, personal finance courses, a range of services delivered online via Teachable. Explore assorted electives and introduction courses in investing, banking, insurance, credit-ratings and repair, and other higher-level finance strategies), and take advantage of additional one-on-one mentoring and coaching options. Full membership grants students with complete access to the EMPOWERED WORTH(TM) curriculum, newsletter, Facebook group, and private coaching sessions.

An instant New York Times Bestseller! The new uplifting book from Matt Haig, the New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. "It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard." *THE COMFORT BOOK* is Haig's life raft: it's a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig's future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence. The inspiring, influential senator and bestselling author mixes vivid personal stories with a passionate plea for

political transformation. Elizabeth Warren is a beacon for everyone who believes that real change can improve the lives of all Americans. Committed, fearless, and famously persistent, she brings her best game to every battle she wages. In *Persist*, Warren writes about six perspectives that have influenced her life and advocacy. She's a mother who learned from wrenching personal experience why child care is so essential. She's a teacher who has known since grade school the value of a good and affordable education. She's a planner who understands that every complex problem requires a comprehensive response. She's a fighter who discovered the hard way that nobody gives up power willingly. She's a learner who thinks, listens, and works to fight racism in America. And she's a woman who has proven over and over that women are just as capable as men. Candid and compelling, *Persist* is both a deeply personal book and a powerful call to action. Elizabeth Warren—one of our nation's most visionary leaders—will inspire everyone to believe that if we're willing to fight for it, profound change is well within our reach.

Explains the workings of the compensation systems and provides formulas to determine competitive worth
In *The Meaningful Money Handbook*, personal finance expert and podcaster extraordinaire Pete Matthew guides you through everything you need to KNOW and everything you need to DO to build a secure financial future for yourself and your family. This is achievable for everyone by following three simple steps: 1. Spend less than you earn and clear debt. 2. Insure against disaster. 3. Build up your savings and invest wisely. You will learn:

- How to get out of debt as quickly as possible.
- Techniques for good financial control, so you can avoid getting into debt again.
- The importance of insurance for laying down a foundation on which to build a solid financial plan, which isn't washed away by an unexpected disaster.
- How to save and invest simply and efficiently so that you can work your way towards future financial freedom.

No matter your starting position, or your existing level of comfort with dealing with your money, Pete Matthew's calm, straightforward and jargon-free approach will appeal to you and help you to set out on the right path. The Meaningful Money Handbook is a practical guide to succeeding with money by cutting out the stuff you don't need to know, and clarifying the essential things you need to do, to make a real difference to your life. Don't put it off any longer – pick up this book and start to take a meaningful approach to your money today.

You Don't Need to Make Millions to Get Rich. Believe Me. This comprehensive 8-step guide provides the blueprint to achieve financial freedom at a young age, regardless of income. No B.S., just answers. In Get Rich Action Plan, you will learn the lifelong habits to become financially independent sooner than you thought possible. Do we really need another personal finance book? YES. The outdated status quo advice of "Save 10% for 40+ years" simply doesn't work. It's time to rethink the conventional wisdom that only serves to continue the vicious cycle of wage slavery and the "live to work" mentality. In an age of globalization and abundance, I'm here to tell you there is another way! It is

time to change how we think about personal finance, budgeting, and investing. The 8 steps in this book each work in unison to create a rapid snowball effect that will make your money work for you immediately, so you can afford time off of work or even retire in your 30's. From saving money to investing to growing your income, all of the specifics are covered in this action plan. Get Started on the Right Foot and Change How You Think About Finances I have never made much money by Western standards. In fact, I have never made more than a middle class income. But by employing these strategies, I was able to increase my net worth dramatically at a very young age. It took only 6 years of full-time employment to build an "FU money" fund of hundreds of thousands of dollars, providing me the freedom to travel and take time off of work to pursue other interests. I was able to do this by quickly taking action and ignoring conventional advice. After years of trial and error, I have developed a strategy and philosophy that simply works. And I want to share with you everything I have done to build this large nest egg. I have nothing to hide. The truth is that the path to wealth is not complicated, and you do not need to make millions to get there. More and more of us are realizing that financial freedom is possible in 10 years or less. But the media will never tell you this. Your politicians will never tell you this. They want you to live to work instead of work to live. Now is the time to flip the script and live free! The Time To Take Action Was Yesterday. The Next Best Time is Now. Whether you are in your 20's and looking for sound advice to get started, or you're later in your career and haven't really thought

about financial freedom, it's not too late to start! Once you put these systems in place, financial independence will no longer be a lifelong battle. Ditch the 40-year plan and live the life you want to live. Get started today!

BONUS MATERIAL INCLUDED I'm also excited to share **FREE** bonus material that highlights "27 Ways I Slashed My Budget By \$1818 Per Month." A link to the free PDF is included in the book! Adhering to the strategies in this book and in the free bonus guide will grow your net worth by thousands in the first year and hundreds of thousands over your lifetime! What are you waiting for? Click the "Buy Now" button above and get started today!

From #1 New York Times bestselling author Senator Elizabeth Warren and consultant Amelia Warren Tyagi, the classic book about America's middle class -- and why economic security remains out of reach for many. In this exposé, Elizabeth Warren and Amelia Warren Tyagi show that modern middle-class families are increasingly trapped by the grinding reality of flat wages and rising costs. Warren and Tyagi reveal how a ferocious bidding war for housing and education has silently engulfed America's suburbs, driving up the cost of keeping families in the middle class, and placing unprecedented pressure on hard-working families.

Revolutionary when it was first published in 2003, *The Two-Income Trap* remains disturbingly relevant today. Now with a new introduction by the authors, *The Two Income Trap* shows why the usual remedies won't solve the problem and points toward the policy changes that would create better opportunities for both parents and children.

Penny is sad because she's been told that her namesake coin, being worth only one cent, isn't worth enough to buy anything. But when she finds a penny on the ground, things begin to change. She starts to have good luck, and her heart

grows bigger and more kind. Is the lucky penny the source of all the good things in Penelope's life? Or was it there all along? With vivid illustration and sing-song prose, #knowyourworth will teach children how to discover their worth and give them the courage to follow their dreams!

From celebrity life coach and motivational speaker, Tony Gaskins Jr. and his wife, Sheri, comes an essential guide with hard-hitting truths about a woman's undeniable influence on a relationship—and the power she has to change her man for the better. Tony Gaskins has inspired others by sharing his truth—drawing millions of followers online and making him one of America's foremost experts on love and relationships. Now, he and his wife explore a woman's positive impact on a relationship in this practical and accessible guide that walks you through a series of irreplaceable lessons on making personal changes that foster healthy relationships. Tony and his wife, Sheri, draw on their own relationship successes and failures as they examine the eighteen time-tested truths about how a woman's influence can shift a relationship for the better—if used correctly. Including advice for women such as “you are not a maid,” “show don't tell,” and the “72-hour rule”—where the woman makes herself totally unreachable to her partner—Tony and Sheri tackle all of today's important topics such as misogyny and the “grown boy syndrome,” while never losing the empowering and empathetic tone that Tony's loyal following has come to love and trust. Whether you are single, dating, engaged, or married, *A Woman's Influence* is a hopeful response to a culture where men behave badly and women are victimized all too often. By providing a vision that empowers women to know their worth and simultaneously bring out the best in men, this guidebook can help you make a lasting, positive change to your relationship.

The bestselling motivational guide that TheAtlantic.com calls

"a rallying cry for women to get the money they deserve." Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for--and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of Morning Joe, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face--and play into. Now expanded to address gender dynamics in the #MeToo era, Know Your Value blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), Know Your Value provides vital advice to help women be their own best advocates.

How many digital photos do you have jumbled on your computer? A picture is worth a thousand words, but if you're not managing your photos, they're just wasting space on your computer hard drive. Or worse yet, you risk losing those priceless photos forever. What's a Picture Worth? is a user-friendly guide to help walk you through how to organize, rename, and tag your photos so you can find any photo in mere seconds. You'll learn to leverage free software to fix a so-so photo and turn it into one that really pops. The author will show you the best method to back up your photos and

how to share and collaborate on those memories so they're not "gathering dust" in your computer. Plus, you'll gain useful tips on taking better pictures and scanning old photos. With over 15 years in the computer industry, Jim White knows the important balance of taking something technical and making it less complicated for the everyday computer user. He loves to learn the intricacies of how things work and then find ways to make them easier for everyone to understand. With thousands of his own photos, Jim has perfected ways to organize, fix, and share his photos and now wants to pass that knowledge onto you! Table of Contents

If you've ever felt like you weren't good enough, smart enough, pretty enough, thin enough, strong enough, worthy enough or doing enough, this book is for you! If you knew what you were worth, would you settle for anything less? It's not uncommon to feel inadequate, whether it's issues surrounding your career, relationships, or finances. You will discover gems to apply in your own life as the author takes

Read PDF All Your Worth

you through her journey of how she was able to overcome the unthinkable by realizing her worth wasn't tied into things or people but to God. In this book, Jessica will show you how to:

- Stop settling for relationships that do nothing but cause you pain.
- Find the tools you need to be successful in life.
- Realize you are beautiful just the way you are.
- Refuse to settle for anything less than what God's best is for your life.

Recognize that no matter what your past looks like, it doesn't have to be your future.
