Mrs. Baumgartner turned her face to me after they went in, resting her cheek on her folded arms. "Doc and I were just talking last night about how much you've done for us over the years. The kids adore you. You're like part of the family." I flushed. "Thanks." "You deserve a good vacation." She smiled, her eyes creasing at the corners. I wondered how old she was. It was hard for me to judge how old people were—to me, they just seemed either old or young. Mrs. B wasn't really either. "It's the least we can do." "If I can get a tan, that will be reward enough." I grabbed the oil next to my towel and poured some into my hands. I worked more of it into my thighs and over my smooth, flat belly. I noticed her watching me. "Do you want some?" "Sure." She took the bottle and sat up to squeeze a pool of glistening liquid into her palm, rubbing it over her shoulders and arms. I slipped my boy short bottoms aside, checking for a tan line. I actually had one, which was thrilling, although it wasn't as dark as I wanted it to be. "You can take it off." Mrs. Baumgartner untied her black bikini top around the neck and I stared as she started to spread oil over her full, naked breasts. I knew I was staring, but I couldn't help it. Her skin was smooth and tawny—even there. Her nipples were brown, vastly different from my light pink ones. "Wh—what?" I stammered. I was still staring. She smoothed oil over her belly, which was softer and a little more rounded than mine, working it under the strings of her bikini and down into the grooves of her thighs. "Your top." She massaged oil into her thighs and calves. "You can take it off—so you won't have any tan lines." She lay on her back on the blanket, glancing over at me. I must have looked shocked. "No one can see, Veronica. It's a private beach—just us."

Henry and Libby have a Valentine's Day tradition. Every year, this young, college aged couple share and explore a special fantasy with one another. This time, though, Libby has discovered something shocking about the Baumgartners, leading her to speculate wildly about Henry's real feelings. What she uncovers will lead them both to explore their wildest dreams and their true heart's desires! ----- IF YOU LIKED THIS BOOK You can have more fun with this family!

Since 1984, we have organized satellite symposia on retinal degenerations that are held in conjunction with the biennial International Congress of Eye Research. The timing and location of our Retinal Degeneration Symposia have allowed scientists and clinicians from around the world to convene and present their exciting new findings. The symposia have been arranged to allow ample time for discussions and one-on-one interactions in a relaxed atmosphere, where international friendships and collaborations could be established. The IXth International Symposium on Retinal Degeneration was held on October 9-14, 2000 in Durango, Colorado and was attended by over 100 scientists from six continents. This book contains many of their presentations. Several events of note occurred at this meeting. First, thanks to the generous support of the Foundation Fighting Blindness, we were able to sponsor the travel of 11 young scientists from six countries. Most of them have contributed chapters to this volume. The response to the travel program was so overwhelming that we will make it regular feature of our meeting. This will allow other bright, young investigators to be introduced to the world experts who study retinal degenerations. Second, about 40% of the scientists who attended this meeting were there for the first time. We believe that this indicates a growing interest in retinal degeneration research and ensures that new talent will be attracted to this important area of investigation. The symposium received support from several organizations.

Everyone seems to be having a rousing good time-until romance sparks between Ronnie and her handsome personal trainer, Vince, and she needs to decide-does she really share all that well with others?

Charlie lives an average life in an ordinary home, and she isn't complaining. Jack is a good husband and they have beautiful children—but when she discovers her penchant for a secret taboo, she finds that it suddenly turns her sex life from a mundane distraction into a mind-blowing, transcendent experience. This is the story of a woman's exquisite unfolding, as her sexual discovery and yearning for something more pushes she and her man to the edge, testing boundaries and forcing her to surrender to something much deeper than herself.-----Warnings: This title contains erotic situations, a plethora of anal sex, elements of BDSM and a menage a trois (MFM threesome) with a very lucky bellboy.-----EXCERPT:When I came out of the bedroom, he was naked on the bed, a few pillows tucked behind his head. His eyes lit up when he saw me and he let out a low whistle.“Where's the KY?” he asked.I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing out the tubes.He threw one back at me. “For the bathroom. Leave it on the counter.”I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table.“What are you doing?” I put my hands on my hips and cocked my head at him.“Tactical maneuvers.” He looked over at me with a grin. “Reinforcing my supply lines.”I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top.“Angel and slut.” His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around.Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible.I reached down and tugged on his shaft, rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet.Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass.I put my hands behind my back as I sucked him, crossing my arms at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.

Henry's in trouble. He's gone from being a big fish in a little pond in his home town to being a very small fish in a much bigger pond at college, and he's just not keeping up.Instead of passing him through his classes because of his athletic ability like they did in high school, he discovers his professors actually mean it when they say he needs to do the work or he's going to fail his classes—and be kicked off the all-star hockey team.Adjusting to life at university sure isn't as easy or fun as he thought it was going to be—his roommate likes the same girl he does, and it looks like she likes him, too; he's failing English for sure and the dragon-lady who teaches the class seems to have a personal vendetta against him; and his hockey coach has even gone so far as to bench him!When his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have foreseen...-----Warning: This title contains erotic situations, graphic language, sex, and a sex toy and masturbation scene that you have to read to believe!-----IF YOU LIKED BAUMGARTNER GENERATIONS: HENRY,you may want to have more fun with this family!A Baumgartner Christmas by Selena KittThe Baumgartners Plus One by Selena KittBabysitting the Baumgartners by Selena KittA Baumgartner Reunion by Selena KittBaumgartner Generations: Janie by Selena KittLetters to the BaumgartnersMeet the Baumgartners by Selena Kitt-----EXCERPT:“Toni,” he whispered, nudging her with his knee.“Shhh.” Her hand pressed against his thigh, squeezing. “Watch the movie.”He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans.When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no.He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh.She was too sexy for words.His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her.Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her

hand into the opening to feel him through his boxers.

Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man she's never even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sibyl escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

Ronnie (or "Veronica" as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. Ronnie finds herself torn, once again, between what she wants and what someone else wants for her--or are they, after all, one in the same?-----Warning: This title contains erotic situations, graphic language, sex, and so much a ménage a trois (MFF threesome) action you just may begin to chafe!-----EXCERPT: "Come on, Ronnie..." His hand massaged my scalp, his eyes tender but questioning. "We've been married for almost seven years. You can't tell me you've never been attracted to anyone else? I know you have!" I blinked, trying not to think about the way Hector at work smiled and winked whenever I passed his classroom, how he often showed up in the tiny copy room the same time I did, brushing up against me from behind, his hand cupping the side of my hip, to get a ream of legal paper. So I felt a little twinge when he did, a warmth between my thighs, a tug in my belly. It didn't mean anything. It didn't mean—"Just because I'm attracted to someone doesn't mean I'm going to act on it." TJ's eyes searched mine, lazily rubbing the head of his cock back and forth against my lower lip. "But why not?" "Because we made a commitment." I raked my teeth lightly across the spongy tip and he jumped. "Don't be so literal." He rolled me over, pressing his weight onto me, opening my legs. I acquiesced with a sigh, loving the feel of his hardness rubbing up and down between my slit, but hating his words. "Our commitment is what we say it is..." His lips murmured against the pulse in my throat and I let my fingers brush the fine hairs at the back of his neck, soft as a baby. "I'm not talking about not loving you. I'm talking about sex." His words were supposed to reassure me, but I felt my throat constrict. "So basically, you're saying I'm not enough for you." "No, baby." He rocked, slow and easy—god, he knew how I loved that, opening me, a slow split, a gentle friction, up and up. "You're more than enough..." More reassuring words—but why didn't I feel reassured? His mouth covered mine, the kiss deep and searching, his tongue slowly drawing me in, drawing me out, teasing me as he rubbed his stiff heat between my thighs. It throbbed there, insistent, making me squirm. "God, you're so sweet..." His words were hot against my ear now, his teeth gently biting and tugging at the lobe. "I never want you to think you're not enough, you're so very much more than enough..." His cock found me with a shift of his hips, seeking entrance, and I gasped as he slid forward until he felt resistance, about halfway there. His breath caught and he gave a low moan that went through me like shiver, and still, he didn't stop talking, telling me... "There's no other woman like you. I want you and I want to share you, baby. I want the whole world to know how good you are, how sweet, how fucking hot..." He pulled back and plunged forward, so deep I clutched his shoulders, digging my nails in. TJ's eyes sought mine, dark and full of hunger. "How fucking mine you are."

For the first time in years, Carrie Baumgartner doesn't have any chicks in the nest—all the fledglings have flown the coop and she's finally got her sexy, energetic husband all to herself! Doc suggests they take advantage of this newfound freedom, and his adventurous wife has no

objections. She intends to enjoy their little nest, preferably in every room, in every position they can possibly imagine. But an empty house has its echoes, and while Doc buys a new muscle car and considers retiring from his practice to mark his mid-life crisis, his wife experiences a much deeper quandry. Carrie has been in communication with someone from her past, and their relationship has blossomed into something no one expected. Things with Jody are so intense, it scares her a little, and even her usually open-minded husband has his reservations. When Carrie and Doc go on a hot, fun-in-the-sun vacation to their Florida Keys timeshare, couple time is interrupted by a very sexy, but distraught third. Jody's in trouble and has nowhere else to turn. Of course, the Baumgartners offer their assistance-and even their bed. But this is the kind of threesome the polyamorous couple could never have imagined, even in their wildest fantasies, and it's about to turn everything upside down. If you thought the Baumgartners were uninhibited before, you're about to see what it's like when they really let their freak-flag fly. Join them down where it's hot, moist and humid-and where the surprises sometimes come faster than they do!

There is struggle in an uphill endeavor, but miracle in its very existence. There is something off-putting and hard to swallow about it, true, but also something undeniably compelling. There's a growing segment of "Other" clergywomen -- non-Anglo women of diverse cultures and ethnicities who serve in congregations that may or may not look like them, women with stories of struggle and triumph in their work and ministry. In the candid book *Streams Run Uphill: Conversations with Young Clergywomen of Color*, author, writer, editor, and pastor Mihee Kim-Kort artfully brings together diverse narratives to encourage, educate, and equip clergywomen wrestling with identity, authority, and the uphill struggle against racism, sexism, ageism, and other ministry challenges.

The Eskimos may have over a hundred words for snow, but that doesn't even come close to how many words the English language has for "slut"—and Lindsey has been called them all. "Hussy" is Lindsey's personal favorite, given to her by her own grandmother, who likes to pat her on the hand and whisper, "Don't worry, dear—a hussy is just a woman with the morals of a man." But Lindsey's not ashamed of her reputation. She knows she's earned it—and she's proud of it. After all, you only live once, right? In fact, she goes out of her way to make it known to every guy she comes in contact with, she's available for the taking—the rougher, the better. That is until Lindsey meets Lieutenant Zachary Davis, a man who refuses to treat her like the trash she believes she really is. But can Lindsey change her impulsive ways and learn to value herself the way the Zach does? Warnings: This title contains graphic language and extreme sexual situations as well as a girl with a slutty attitude bigger than Texas covering a haunted past, and a sweet, hot man in uniform dead set on rescuing her from herself. Turns out, Henry’s been keeping a secret, and while he desperately continues to try to keep it, from the girl he’s got a crush on, from his roommate who’s after the same girl, from his parents and teachers and coaches, he knows he can’t go on keeping it forever. So when his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have foreseen... ----- IF YOU LIKED THIS BOOK You can have more fun with this family! Why Public Service Matters conveys the importance, purpose, and nobility of a career as a civil servant in the United States. It does so, however, with an unflinching eye on the realpolitik that drives public administration in America’s “compensatory state” and on the pitfalls of reformers’ focus on bureaucratic, rather than democratic, administration. The book links the nation’s ability to handle contemporary policy problems with the strategic, tactical, and normative quality of public management. In doing so, it offers newcomers a rare, concise, and accessible overview of the field. Readers will gain an appreciation for the challenges, choices, and opportunities facing public managers as they help advance a sense of common purpose informed by democratic constitutional values in twenty-first century America.

His eyes were silver in the moonlight, his breath full of sake."No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though.""You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer."Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?"I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap.My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together."Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..."He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

March was flirting with April and the weather had been sunny and bordering on warm all day, prompting my choice of outfit."No, no," I protested, but telling him no was impossible. He took when he wanted, when he wanted. I couldn't deny him, and even as my mind forbid him, my body responded, my hips thrusting to meet the hard press of his cock through his trousers, my mouth opening under his."I can't wait," he murmured, his hand cupping my mound through my skirt. "I've been thinking about you all day. My cock has been hard for hours." "We could get caught," I whispered, eyes closed with pleasure as he rocked the heel of his palm against my pussy. It was still daylight and anyone passing by the alleyway could see us. "Arrested. What would your mother say?" "I don't care," he growled, yanking my skirt up to my waist, exposing the black flash of my panties underneath."Nico!" I gasped when he went to his knees, unmindful of the suit he was wearing, burying his face between my legs.The truth was, I was already soaking wet—I'd been thinking about him all day too, about our date and where we would go to ease this ache. I had to sneak him into my flat past Caro Lucia. His mother guarded his place like Fort Knox. We had found places of course, the darkness our accomplice. We had christened the restroom at the Mood Café twice, once in the men's room, the second time in the women's. We'd made love in the gondola in the dark several times, tied to a post, nearly tipping it over once in a narrow canal with our fervor. We'd even done it like this, in dark alleys, cul-de-sacs, entryways to empty buildings.But we'd never dared to do it like this, in the daylight, in plain sight. I usually felt like a naughty teenager, sneaking around and hiding our lust, but this was beyond daring—it was dangerous.I loved it."Lick it," I begged, sliding my leg up over his shoulder to give him better access. He nudged my panties aside and did just as he was told, his mouth working sweet, hot magic between my legs. My clit throbbed against his tongue, my nipples hardening under my blouse. I rubbed my own breasts, grazing them with my nails through the material, sending hot tingles down between my thighs.

Mrs. Baumgartner turned her face to me after they went in, resting her cheek on her folded arms. "Doc and I were just talking last night about how much you've done for us over the years. The kids adore you. You're like part of the family." I flushed. "Thanks." "You deserve a good vacation." She smiled, her eyes creasing at the corners. I wondered how old she was. It was hard for me to judge how old people were-to me, they just seemed either old or young. Mrs. B wasn't really either. "It's the least we can do." "If I can get a tan, that will be reward enough." I grabbed the oil next to my towel and poured some into my hands. I worked

more of it into my thighs and over my smooth, flat belly. I noticed her watching me. "Do you want some?" "Sure." She took the bottle and sat up to squeeze a pool of glistening liquid into her palm, rubbing it over her shoulders and arms. I slipped my boy shorts aside, checking for a tan line. I actually had one, which was thrilling, although it wasn't as dark as I wanted it to be. "You can take it off." Mrs. Baumgartner untied her black bikini top around the neck and I stared as she started to spread oil over her full, naked breasts. I knew I was staring, but I couldn't help it. Her skin was smooth and tawny-even there. Her nipples were brown, vastly different from my light pink ones. "Wh-what?" I stammered. I was still staring. She smoothed oil over her belly, which was softer and a little more rounded than mine, working it under the strings of her bikini and down into the grooves of her thighs. "Your top." She massaged oil into her thighs and calves. "You can take it off-so you won't have any tan lines." She lay on her back on the blanket, glancing over at me. I must have looked shocked. "No one can see, Veronica. It's a private beach-just us." When Danielle Stuart meets the Baumgartners, her life doesn't need to get any more complicated. Many books cover the emergency response to chemical terrorism. But what happens after the initial crisis? Chlorine, phosgene, and mustard were used in World War I. Only years after the war were the long-term effects of these gases realized. In the 60s, 70s, and 80s, these and other agents were used in localized wars. Chemical Warfare Agents: Toxicity at Low Levels explores the long range effects of, protection against, and remedies for chemicals used during war and the chronic problems possibly resulting from toxic exposures during the Persian Gulf War.
