Lone Survivor meets Marley & Me in this “inspiring and very moving” (Bear Grylls, host of the hit TV show *Man vs. Wild*) memoir of an extraordinary service dog whose enduring love brought a wounded soldier back to life. A decade ago, special forces warrior Jason Morgan parachuted into the Central American jungle on an antinarcotics raid. He’d served with the famous Night Stalkers on countless such missions. This one was different. Months later, he regained consciousness in a U.S. military hospital with no memory of how he’d gotten there. The first words he heard were from his surgeon telling him he would never walk again. The determined soldier responded, “Sir, yes, I will.” After multiple surgeries, unbearable chronic pain, and numerous setbacks, Morgan was finally making progress when his wife left him and their three young sons. He was a

single father confined to a wheelchair and tortured by his pain. At this very dark, very low point, Morgan found light: Napal, the black Labrador who would change his life forever. *A Dog Called Hope* is the incredible story of a service dog who brought a devastated warrior back from the brink and taught him how to be a true father. It is the story of Napal, who built bridges between his wheelchair-bound battle buddy and the rest of able-bodied humankind. It is the story of Jason, who found life's true meaning with the help of his faithful companion. Humorous, intensely moving, and uplifting, Jason and Napal's heartwarming tale will brighten any day and lift every heart.

The discovery of a code encrypted in the Bible some 3000 years ago caught the public imagination. But if this code predicted the disastrous events of 9/11, what more can it tell us about our future? What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for

millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Mining the Bible for advice, the author shows a new generation how to develop physical, mental, and spiritual harmony in marriage. Original.
