'You look exactly like him! You can take the dead boy's place and no one will ever know the difference. You'll be rich for life!' And so the plan was born. At first Brat Farrar fought against the idea; it was criminal, it was dangerous. But in the end he was persuaded, and a few weeks later Patrick Ashby came back from the dead and went home to inherit the family house and fortune. The Ashby family seemed happy to welcome Patrick home, but Brat soon realized that somewhere there was a time-bomb ticking away, waiting to explode . . .

A witty and sophisticated mystery featuring bestselling author Josephine Tey's popular Inspector Alan Grant, a beloved character created by a woman considered to be one of the greatest mystery writers of all time. Literary sherry parties were not Alan Grant's cup of tea. But when the Scotland Yard Inspector arrived to pick up actress Marta Hallard for dinner, he was struck by the handsome young American photographer, Leslie Searle. Author Lavinia Fitch was sure her guest "must have been something very wicked in ancient Greece," and the art colony at Salcott St. Mary would

have agreed. Yet Grant heard nothing more of Searle until the news of his disappearance. Had Searle drowned by accident or could he have been murdered by one of his young women admirers? Was it a possible case of suicide or had the photographer simply vanished for reasons of his own?

It is just before Christmas and the marshal wants to go South to spend the holiday with his wife and family, but first he must recover from the flu (which has left the Florentine carabinieri short-handed) and also solve a murder. A seemingly respectable retired Englishman, living in a flat on the Via Maggio near the Santa Trinita bridge, was shot in the back during

the night. He was well-connected and Scotland Yard has despatched two officers to "assist" the Italians in solving the crime. But it is the marshal, a quiet observer, not an intellectual, who manages to figure out what happened, and why.

Uses the theories of Howard Gardner to discuss the integration of the multiple intelligences approach into teaching reading and writing.

Inspector Alan Grant searches for the identity of a man killed in the line at a theater and for the identity of the killer—whom no one saw. A long line had formed for the standing-room-only section of the Woffington Theatre. London's favorite musical comedy of the past two years was finishing its run at the end of the week. Suddenly, the line began to move, forming a wedge before the open doors as hopeful theatergoers nudged their way forward. But one man, his head sunk down upon his chest, slowly sank to his knees and then, still more slowly, keeled over on his face. Thinking he had fainted, a spectator moved to help, but recoiled in horror from what lay before him: the man in the queue had a small silver dagger neatly plunged into his back. With the wit and guile that have made Inspector Grant a favorite of mystery fans, the inspector sets about discovering just how a murder occurred among so many witnesses, none of whom saw a thing.

Robert Blair was about to knock off from a slow day at his law firm when the phone rang. It was Marion Sharpe on the line, a local woman of quiet disposition who lived with her mother at their decrepit country house, The Franchise. It appeared that she was in some serious trouble: Miss Sharpe and her mother were accused of brutally kidnapping a demure young woman named Betty Kane. Miss Kane's claims seemed highly unlikely, even to Inspector Alan Grant of Scotland Yard, until she described her prison -- the attic room with its cracked window, the kitchen, and the old trunks -- which

sounded remarkably like The Franchise. Yet Marion Sharpe claimed the Kane girl had never been there, let alone been held captive for an entire month! Not believing Betty Kane's story, Solicitor Blair takes up the case and, in a dazzling feat of amateur detective work, solves the unbelievable mystery that stumped even Inspector Grant.

This Encyclopedia is the first to compile pseudonyms from all over the world, from all ages and occupations in a single work: some 500,000 pseudonyms of roughly 270,000 people are deciphered here. Besides pseudonyms in the narrower sense, initials, nick names, order names, birth and married names etc. are included. The volumes 1 to 9 list persons by their real names in alphabetical order. To make the unequivocal identification of a person easier, year and place of birth and death are provided where available, as are profession, nationality, the pseudonym under which the person was known, and finally, the sources used. The names of professions given in the source material have been translated into English especially for this encyclopaedia. In the second part, covering the volumes 10 to 16, the pseudonyms are listed alphabetically and the real names provided. Approx. 500,000 pseudonyms of about 270,000 persons First encyclopedia including pseudonyms from all over the world, all times and all occupations Essential

World War Terminus had left the Earth devastated. Through its ruins, bounty hunter Rick Deckard stalked, in search of the renegade replicants who were his prey. When he wasn't 'retiring' them with his laser weapon, he dreamed of owning a live animal -- the ultimate status symbol in a world all but bereft of animal life. Then Rick got his chance: the assignment to kill six Nexus-6 targets, for a huge reward. But in Deckard's world things were never that simple, and his assignment quickly turned into a nightmare kaleidoscope of subterfuge and deceit -- and the threat of death for the hunter rather than the hunted . . .

Scotland Yard Inspector Alan Grant becomes involved in a murder investigation when he accidentally finds a dead young man and an enigmatic verse in a train

The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.

Voted greatest mystery novel of all time by the Crime Writers' Association in 1990, Josephine Tey recreates one of history's most famous-and vicious-crimes in her classic bestselling novel, a must read for connoisseurs of fiction, now with a new introduction by Robert Barnard. Inspector Alan Grant of Scotland Yard, recuperating from a broken leg, becomes fascinated with a contemporary portrait of Richard III that bears no resemblance to the Wicked Uncle of history. Could such a sensitive, noble face actually belong to one of the world's most heinous villains-a venomous hunchback who may have killed his brother's children to make his crown secure? Or could Richard have been the victim, turned into a monster by the usurpers of England's throne? Grant determines to find out once and for all, with the help

of the British Museum and an American scholar, what kind of man Richard Plantagenet really was and who killed the Little Princes in the Tower. The Daughter of Time is an ingeniously plotted, beautifully written, and suspenseful tale, a supreme achievement from one of mystery writing's most gifted masters.

Winner of the Booker Prize as best novel of the year in 1983, Heat and Dust was also made into a major motion picture starring Julie Christie, now regarded by many as a classic.
