

Business English 11 Edition

A new, exciting, and intuitive way to learn business English, this comprehensive self-study course--now available in a beautifully packaged box set--is uniquely visual, engaging, and easy to follow. English for Everyone: Business English is the easiest way to teach yourself workplace English. The course combines innovative visual teaching methods with the best of DK design to make workplace English easy to learn. The most useful English grammar and business vocabulary are tied into everyday workplace situations, such as interviews, meetings, presentations, sales pitches, formal and informal phone calls, business travel, and conferences. Essential documents, such as job applications, resumes, and formal emails, are analyzed in detail, making them easy to understand and replicate. The box set includes a course book and a corresponding practice book. The practice book is an essential companion to the course book, offering extensive exercises to drill language skills and improve fluency. Each book is structured in two levels, with Level 1 starting at pre-intermediate English, and Level 2 taking you to upper intermediate. Key language skills, grammar rules, and business vocabulary are presented in a clear and simple way, with attractive illustrations to put business English in context. Listening, speaking, reading, and writing exercises, backed by extensive audio and interactive digital practice, are presented in bite-sized modules, allowing you to learn at your own pace. Whatever your career, the English for Everyone: Business English box set will make it incredibly easy to teach yourself English for the workplace.

Introducing Business English provides a comprehensive overview of this topic, situating the concepts of Business English and English for Specific Business Purposes within the wider field of English for Special Purposes. This book draws on contemporary teaching and research contexts to demonstrate the growing importance of English within international business communication. Covering both spoken and written aspects of Business English, this book: examines key topics within Business English, including teaching Business English as a lingua franca, intercultural business interactions, blended learning and web-based communication; discusses the latest research on each topic, and possible future directions; features tasks and practical examples, a section on course design, and further resources. Written by two leading researchers and teachers, Introducing Business English is a must-read for advanced undergraduate and postgraduate students studying Business English, Business English as a Lingua Franca, and English for Specific Business Purposes.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

What is Business English? The term "Business English" can have different meaning for different people. For some, it focuses on vocabulary and topics used in the worlds of business, trade, finance, and international relations. For others it refers to the communication skills used in the workplace, and focuses on the language and skills needed for typical business communication such as presentations, negotiations, meetings, socializing, correspondence, report writing, and a systematic approach. Have you ever wondered how you can improve business writing such as proposal, presentation drafts, emails, or report? Do you want to stop making avoidable mistakes during your business speeches or are you having challenges speaking professionally? If you answer yes to these questions, then this book will greatly enhance the way you Speak and Write at workplaces or in office environments. In this book, You will be learning how to communicate effectively in English in a professional context. You will be expanding your English vocabulary, improve your ability to write and speak in both social and professional interactions, and learn terminology and skills that you can apply to business negotiations, telephone conversations, written reports, emails, and presentations. This book is written to bridge the gap between the general English and the specialized business English that you need for career advancement. You will be learning how to negotiate your potential clients and learning how to convey ideas to your colleagues or business executives in a much more effective way. New terms and phrases will also be used in different business environment, such as:

- Meetings
- During presentation
- Briefings and
- Public speaking
- Interviews

English pronunciations are given in easy way helping the readers to understand the complexities of English pronunciation. This book explores implications for applied linguistics of recent developments in technologies used in second language teaching and assessment, language analysis, and language use. - Salim Khan Anmol

This book analyses the learning experiences of students of Business English at a Chinese university. It addresses several topical issues in English for Specific Purposes (ESP) education and Business English teaching, including how ESP students learn, how they develop multiple identities. In particular, it focuses on their professional identity in the classroom, and how these identities are transferred to the workplace. This allows the author to present a model of learning Business English that corresponds to the lived experiences of students in China, but

which can also be applied to other ESP learner contexts. In doing so, he demonstrates how to research the professional identity of ESP learners from multiple perspectives, and contributes to the validity of research on language learning and learner identity. This book will appeal to scholars of English for Specific Purposes, Second Language Acquisition, and TESOL Education.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Business English is key in our globalized world. Learning English for business is not only a good skill, it is essential! This book was written by a Business English trainer with over 10 years of experience. Eric has contracted with huge multinational organizations such as Airbus, the UN, Chevron, GM, Johnson & Johnson, Inditex, Syngenta, National Instruments, Doosan Infracore, Panalpina, Ferrovial, Lotte, and many others. In this short book, you will learn how to use business English in a variety of contexts, such as: We need to "take initiative" and do everything "ahead of time." Then you have to "follow-up" to "address" any concerns. We have to show the "pros and cons" and "come up with" new ideas. A "slump" in the market could be followed by "sharp" increases. You will learn how to speak about: - Greetings- Interviews- Work/life balance- Negotiation- Work Dinners- Meetings- Presentations- Business Trips- Innovation- Productivity- Startups- Sales pitch- Decision making- Creativity- Describing Personality- Emails- Stress Management- Training Annual Employee Reviews- Leadership- Recruiting and Hiring

Written by experienced teachers and teacher trainers, this series offers practical teaching ideas within a clear, theoretical framework. Each title includes a photocopiable 'Task File' of training and reflection activities to reinforce theories and practical ideas presented.

How to Write Effective Business English gives guidance to both native and non-native English speakers on how to express yourself clearly and concisely. With case studies and real-life examples that demonstrate how English is used internationally in business, and full of ideas to help you get your communications right first time, How to Write Effective Business English sets the scene for describing the benefits of good Business English, ideal for multinational companies where communication is a priority. For native English speakers, it may mean un-learning things you were taught at school and learning how to save time by getting to the point more quickly in emails; for elementary to immediate English speakers, it focuses on the areas that are easy to get wrong. How to Write Effective Business English draws on the author's wealth of experience, using real-life international business scenarios to develop your skills and provide you with some answers that even your boss might not know. You will learn a system to help you quickly and easily write emails, letters, CVs and more. Featuring sections on punctuation and grammar, and checklists to help you assess how you are getting on before moving on to the next stage, How to Write Business English has been praised by both native and non-native writers of English as an indispensable resource.
