Christopher Flynn is trying to get it right. After years of trouble and rebellion that enraged his father and nearly cost him his life, he has a steady job in his father's company, he's seriously dating a woman he respects, and, aside from the distrust that lingers in his father's eyes, his mistakes are firmly in the past. One day on the job, Chris and his partner come across a temptation almost too big to resist. Chris does the right thing, but old habits and instincts rise to the surface, threatening this new-found stability with sudden treachery and violence. With his father and his most trusted friends, he takes one last chance to blast past the demons trying to pull him back. Like Richard Price or William Kennedy, Pelecanos pushes his characters to the extremes, their redemption that much sweeter because it is so hard fought. Pelecanos has long been celebrated for his unerring ability to portray the conflicts men feel as they search and struggle for power and love in a world that is often harsh and unforgiving but can ultimately be filled with beauty.

The world is no longer run by humans. Taken over by vampires a thousand years ago, the planet has been able to rejuvenate, and is now governed as a civilized society by The Collective. Prince Alexander Gronovski and his family are the owners of the world's only all female cattle farm. Their responsibility - to provide vampire kind with feeders, and carriers for their offspring. The only way vampires can produce pure blood children is to undergo the impregnation ceremony. Alex and his lover Jade must over see the

ceremony and deliver the vampire babies whilst fending off his killer father, a promised bride and hormonal humans.

World History: Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day. By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows: PART 1.

EMERGENCE (Human origins to 500 CE) PART 2.

ORDER (1 CE-1500 CE) PART 3. CONNECTIONS

(500-1600 CE) PART 4. BRIDGING WORLDS

(1300-1800 CE) PART 5. TRANSFORMING LIVES

(1500-1900) PART 6. FORGING A GLOBAL

COMMUNITY (1800- Present) The expanded new

edition features an impressive full-color design with a

host of illustrations, maps and primary source

excerpts integrated throughout. Chapter opening

timelines supply context for the material ahead, while

end of chapter questions and annotated additional

resources provide students with the tools for

independent study. Each chapter and part boasts

introductory and summary essays that guide the

reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study. This comprehensive and leading textbook has been revised and reworked building on the themes of the first edition. As before it covers all aspects of the nature of mind, and is ideal for anyone coming to philosophy of mind for the first time.

The astounding rise and equally astounding fall of the Sonninos, as seen through the eyes of the youngest heir to the Sonnino dynasty. A boisterous, passionate tale of adventure, sex and betrayal in the opulent neighbourhoods of contemporary Rome. An unfinished duel, a midnight murder, and the treachery of a beautiful prostitute lead to the imprisonment of Sharpe. Caught in a web of political intrigue for which his military experience has left him fatally unprepared, Sharpe becomes a fugitive--a man hunted by both ally and enemy alike.

Regan Keller fell in love with a wealthy and powerful man once. He was her boss. When that turbulent relationship ended, she swore she'd never again date someone she worked with. That was before she literally fell into her new boss's lap. Zachary Benson is the head of a successful empire and used to getting what he wants in the boardroom and outside of it – and what he wants is Regan Keller. He's determined to convince Regan that even though he's her boss, they can share a life together. However, when Regan's past threatens to destroy the architectural firm Zach has invested his entire career in, he has to make an executive decision whether to choose his business or fight for the woman he loves.

Part of the ICE manuals series, ICE manual of structural design is the essential reference for all structural engineers involved in the design of buildings and other structures. The manual takes a project oriented approach, covering key issues that design professionals face at the outset of a project such as sustainability, risk management and how to understand the client's needs, before going on to cover the core issues of concept
