For more than two decades, homebrewers around the world have turned to Brew Your Own magazine for the best information on making incredible beer at home. Now, for the first time, 300 of BYO's best clone recipes for recreating favorite commercial beers are coming together in one book. Inside you'll find dozens of IPAs, stouts, and lagers, easily searchable by style. The collection includes both classics and newer recipes from top award-winning American craft breweries including Brooklyn Brewery, Deschutes, Firestone Walker, Hill Farmstead, Jolly Pumpkin, Modern Times, Maine Beer Company, Stone Brewing Co., Surly, Three Floyds, Tröegs, and many more. Classic clone recipes from across Europe are also included. Whether you're looking to brew an exact replica of one of your favorites or get some inspiration from the greats, this book is your new brewday planner.

This Craft Beer Journal is the perfect tool to track all of your beer and cider tastings. This unique and portable book makes a wonderful gift for any beer lover. It makes a perfect gift for the Beer connoisseur, novice, or even the home brewer. Try each delicious, thirst quenching, mouth-watering, beer and journal a page about each one so you remember what you like and what you don't

Packed with recipes, expert advice, step-by-step photos, and more, this official guide from Brew Your Own is a necessity for anyone who's into homebrew. For more than two decades, America's homebrewers have turned to Brew Your Own magazine for the best information on making incredible beer at home. From well-tested recipes to expert advice, Brew Your Own sets the standard for quality. Now, for the first time, the magazine's best homebrew guides, recipes, troubleshooting, and tips are brought together in one book. The Brew Your Own Big Book of Homebrewing is the ultimate all-in-one homebrew book. It's a first-time homebrewer's best friend, explaining the entire brewing process from start to finish with step-by-step photography. Yet it has plenty for the experienced homebrewer as well, including: - Fully-illustrated guides for making the jump to all-grain brewing and for setting up your first kegging system - More than 50 sought-after recipes to craft your favorite breweries' beers - A deep dive on brewing ingredients - The most useful troubleshooting features and tips from the pros from two decades of the magazine Whether you're looking to get into brewing, up your game, or find inspiration for your next brew day, this book has what you need.

Keep track of your homebrew beer recipes in a convenient and portable journal for easy access on your brew day. The journal will support both extract and all-grain brewers of all skill levels. Both metric and imperial measurement units are supported. The book allows individuals to keep a record of the grains, extracts, hops and yeast used in up to 50 beer recipes. Other brewing procedure and tasting details can also be recorded, allowing the same beer to be reproduced and modified (unless it's already perfect) once the first batch has been consumed and more is wanted!

It's closing time at the brewery. While the moon rises, the happy crew sings and dances as they wind down for the day. Join them in saying goodnight to the beer-making equipment, brew ingredients, and styles of suds. This humorous parody of a children's literature classic is a "pitcher book" for grown-ups. It's the perfect anytime story for beer lovers everywhere!

This beer journal makes a great beer gift for beer lovers. 6x9 inches 110 pages Beer Tasting log book Matte-finished cover

Record the date and place of your tasting, the beer name and style, brewer, price, and more. Plenty of room to record your ratings, including appearance, aroma, taste, mouthfeel, and overall impressions. Included: A beer-evaluating primer and chart of beer styles and sub-styles for reference. Acid-free archival-quality paper. Elastic band attached to back cover keeps your place or keeps journal closed. Durable hardcover. Foil-stamped volume makes a nice gift. Pocket-sized: 4-1/4 inches wide by 5-3/4 inches high.

Sharing a beer or two with friends after work or play is one of life's many joys. Session beers, whose mild strength invites more than one round, adhere to high quality standards and are dedicated to balance and drinkability above all. Some naturally low-alcohol beer styles were "sessionable" long before that word was coined, but brewers have reinvented traditionally stronger classic beer styles to make them, too, well-suited to casual drinking sessions. Responsible consumption of these high-quality, easy-drinking beers gives beer lovers the freedom to celebrate community and friendship while consuming less alcohol. Such beers can be challenging to brew, but they present many opportunities to showcase skill, flavor, and refreshment. Session Beers explores the history behind some of the world's greatest session beers, past and present. Learn about the brewing processes and ingredients to master recipe development. Explore popular craft session beer recipes from some of the best brewmasters in America, and discover why beer drinkers enjoy exploring and drinking session beers. Keep track of all the beers, lagers, ales and IPAs you come across BOOK INTERIOR: One hundred record pages. As well as the main review space, there's space to log: Date & Place Beer name Source Brewer Style ABV, IBU Appearance Aroma Taste Palate A rating out of 5 General notes/comments 1 beer per page EXTERIOR: Cover: Tough matte paperback with a retro illustration. Dimensions: 6 x 9 in (15.2 x 22.9 cm) dimensions; enough space to write, small enough to carry around in your bag. This specialized notebook makes a wonderful gift for a loved one, or simply a gift for yourself.

This Craft Beer Review Journal is the perfect logbook to track all of your beer tastings. This unique and portable notebook makes a wonderful gift for any beer lover. What's Inside: Date Beer Name Brewer Beer Style Price Rating Serving Type Stats Food Pairings Flavor Wheel Color

Swatch Notes & Opinions Product Details: Conveniently sized at: 6"x 9" High quality paper allows for perfect absorbency for pens, gel pens, and even markers! Matte cover for a silky finish that will feel amazing in your hands! Perfect for gift-giving

Over the past 40 years craft-brewed beer has exploded in growth. In 1980, a handful of "microbrewery" pioneers launched a revolution that would challenge the dominance of the national brands, Budweiser, Coors, and Miller, and change the way Americans think about, and drink, beer. Today, there are more than 2,700 craft breweries in the United States and another 1,500 are in the works. Their influence is spreading to Europe's great brewing nations, and to countries all over the globe. In *The Craft Beer Revolution*, Steve Hindy, co-founder of Brooklyn Brewery, tells the inside story of how a band of homebrewers and microbrewers came together to become one of America's great entrepreneurial triumphs. Beginning with Fritz Maytag, scion of the washing machine company, and Jack McAuliffe, a US Navy submariner who developed a passion for real beer while serving in Scotland, Hindy tells the story of hundreds of creative businesses like Deschutes Brewery, New Belgium, Dogfish Head, and Harpoon. He shows how their individual and collective efforts have combined to grab 10 percent of the dollar share of the US beer market. Hindy also explores how Budweiser, Miller, and Coors, all now owned by international conglomerates, are creating their own craft-style beers, the same way major food companies have acquired or created smaller organic labels to court credibility with a new generation of discerning eaters and drinkers. This is a timely and fascinating look at what America's new generation of entrepreneurs can learn from the intrepid pioneering brewers who are transforming the way Americans enjoy this wonderful, inexpensive, storied beverage: beer.

Beer is a beverage with more than 8000 years of history, and the process of brewing has not changed much over the centuries. However, important technical advances have allowed us to produce beer in a more sophisticated and efficient way. The proliferation of specialty hop varieties has been behind the popularity of craft beers seen in the past few years around the world. Craft brewers interpret historic beer with unique styles. Craft beers are undergoing an unprecedented period of growth, and more than 150 beer styles are currently recognized.

Features: Measures 6 x 9 inches 100 pages Wide Ruled Paper Paperback. Soft cover design. Matte. (Not a sewn binding.) White interior page This completely updated second edition of the best-selling beer resource features the most current information on beer styles, flavor profiles, sensory evaluation guidelines, craft beer trends, food and beer pairings, and draft beer systems. You'll learn to identify the scents, colors, flavors, mouth-feel, and vocabulary of the major beer styles — including ales, lagers, weissbeers, and Belgian beers — and develop a more nuanced understanding of your favorite brews with in-depth sections on recent developments in the science of taste. Spirited drinkers will also enjoy the new section on beer cocktails that round out this comprehensive volume.

Charting the birth and growth of craft beer across the United States, Tom Acitelli offers an epic, story-driven account of one of the most inspiring and surprising American grassroots movements. In 1975, there was a single craft brewery in the United States; today there are more than 2,500. This entertaining and informative history brims with charming, remarkable stories, which together weave a very American business tale of formidable odds and refreshing success.

Learn to brew extreme beer at home with the experts! Sam Calagione, founder of Dogfish Head Craft Brewery, and Jason and Todd Alström, of BeerAdvocate, offer an authoritative primer on extreme brewing, required reading for any serious homebrewer. Inside, you'll find: -Recipes for homemade beers that are among the most exciting and exotic today -Step-by-step instructions and insider tips for making recipes that expand the definition of great beer -Recipes from professional breweries across the country, including Allagash, Lost Abbey, Shmaltz, and Beau's All Natural

In *Craft Brew: An American Beer Revolution*, M. B. Mooney tells the stories of more than a dozen of the best independent brewers from across the nation. For these brewers, their business is to help those new to beer find that special brew and to offer veteran beer drinkers new and exciting tastes. But more than that, they know that they are extending an invitation to join a warm community and share in a vibrant culture. Mooney explores their stories of passion and caring, history and innovation, creativity and influence, fellowship and rebellion, and, most of all, great beer. *Craft Brew: An American Beer Revolution* offers the beer enthusiast a chance to be immersed in the stories and culture of the brewing community. But if you are unlucky enough to have not yet found that beer you like, *Craft Brew* will open your eyes to possibilities and just might send you in search of that special brew that will usher you into the ranks of the converted.

Goose Island opened as a family-owned Chicago brewpub in the late 1980s, and it soon became one of the most inventive breweries in the world. In the golden age of light, bland and cheap beers, John Hall and his son Greg brought European flavors to America. With distribution in two dozen states, two brewpubs and status as one of the 20 biggest breweries in the United States, Goose Island became an American success story and was a champion of craft beer. Then, on March 28, 2011, the Halls sold the brewery to Anheuser-Busch InBev, maker of Budweiser, the least craft-like beer imaginable. The sale forced the industry to reckon with craft beer's mainstream appeal and a popularity few envisioned. Josh Noel broke the news of the sale in the Chicago Tribune, and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war. Anheuser-Busch has since bought nine other craft breweries, and from among the outcry rises a question that Noel addresses through personal anecdotes from industry leaders: how should a brewery grow?

Explore beer styles and log your tastings in this compact journal. The Beer Journal is more than just a journal. This compact guide is a crash course in the many styles of beer and how to approach them in a tasting. Perfect for newcomers to the craft beer scene as well as longtime fans of the beverage, this book is an excellent way to learn about styles you've yet to try. These pages are filled with useful information on the beers themselves and tips to having the best tasting experience possible. Author Chris Wright even includes examples of beers on the market to help readers as they navigate the beer aisle. Packed with useful information, this informative guide will teach readers all about: The many styles of beer Their taste profiles What sets one style apart from another Origin stories Glassware Suggested food pairings The comprehensive tasting logs enable readers to keep track of the details of each particular beer they try—from brewer, beer name, and style to color, flavor, and body. Other worksheets give readers the opportunity to journal their brewery tours and food pairing experimentations. From lagers and wheat beers to sours and stouts, The Beer Journal is your guide to a complete tasting experience.

Winner of 2014 U.S. Gourmand Drinks Award • Taste 5,000 years of brewing history as a time-traveling homebrewer rediscovers and re-creates the great beers of the past. The Brewer's Tale is a beer-filled journey into the past: the story of brewers gone by and one brave writer's quest to bring them—and their ancient, forgotten beers—back to life, one taste at a time. This is the story of the world according to beer, a toast to flavors born of necessity and place—in Belgian monasteries, rundown farmhouses, and the basement nanobrewery next door. So pull up a barstool and raise a glass to 5,000 years of fermented magic. Fueled by date-and-honey gruel, sour pediococcus-laced lambics, and all manner of beers between, William Bostwick's rollicking quest for the drink's origins takes him into the redwood forests of Sonoma County, to bullet-riddled South Boston brewpubs, and across the Atlantic, from Mesopotamian sands to medieval monasteries to British brewing factories. Bostwick compares notes with the Mt. Vernon historian in charge of preserving George Washington's molasses-based home brew, and he finds the ancestor of today's macrobrewed lagers in a nineteenth-century spy's hollowed-out walking stick. Wrapped around this modern reportage are deeply informed tales of history's archetypal brewers: Babylonian temple workers, Nordic shamans, patriots, rebels, and monks. The Brewer's Tale unfurls from the ancient goddess Ninkasi, ruler of intoxication, to the cryptic beer hymns of the Rig Veda and down into the clove-scented treasure holds of India-bound sailing ships. With each discovery comes Bostwick's own turn at the brew pot, an exercise that honors the audacity and experimentation of the craft. A sticky English porter, a priceless rare Belgian, and a sacred, shamanic wormwood-tinged gruit each offer humble communion with the brewers of yore. From sickly sweet Nordic grogs to industrially fine-tuned fizzy lager, Bostwick's journey into brewing history ultimately arrives at the head of the modern craft beer movement and gazes eagerly if a bit blurry-eyed toward the future of beer.
