"Don't read this book," your Ego says. "Your life could change. And that scares me." Sometimes our worst failures lead to our greatest transformation. In 2012, James McCrae left behind a comfortable life in Minnesota and a successful career in advertising to move to New York City and pursue his dreams of being a writer. Soon after he arrived, Hurricane Sandy ripped through the eastern seaboard. New York City was underwater, and James—jobless and running out of money—was suddenly homeless. Fleeing to the island of Culebra for refuge, James sat alone on Flamenco Beach while his greatest doubts and insecurities rose to the surface. What he discovered was his Ego—and it had a lot of sh#t to say. This story of adventure, redemption, and transformation reminds us that we all have two voices inside us: the Ego and the Higher Self. The Ego is our reactive, attached mind that tells us we're victims of circumstance. The Higher Self is our source of intuition and imagination that reminds us we're the creators of our reality. Sh#t Your Ego Says exposes the battle between these voices. With arresting honesty and candid, compelling prose, James takes you through practical strategies for overthrowing your Ego and reclaiming a life of creativity and freedom. Whether you're looking to achieve meaningful career success, improve your relationships, or unlock your imagination, this book provides a no-nonsense roadmap to living with purpose.

Napoleon Hill summed up his philosophy of success in *Think and Grow Rich!*, one of the bestselling inspirational business books ever. A recent USA Today survey of business leaders named it one of the five most influential books in its field, more than 40 years after it was first published. Now, in *Napoleon Hill's Keys to Success*, his broadly outlined principles are expanded in detail for the first time, with concrete advice on their use and implementation. Compiled from Hill's teaching materials, lectures, and articles, *Napoleon Hill's Keys to Success* provides mental exercises, self-analysis techniques, powerful encouragement, and straightforward advice to anyone seeking personal and financial improvement. In addition to Hill's many personal true-life examples of the principles in action, there are also contemporary illustrations featuring dynamos like Bill Gates, Peter Lynch, and Donna Karan. No other Napoleon Hill book has addressed these 17 principles so completely and in such precise detail. For the millions of loyal Napoleon Hill fans and for those who discover him each year, *Napoleon Hill's Keys to Success* promises to be a valuable and important guide on the road to riches.

From the afterlife—a new perspective on your life "I know this may come as a shock, and you know I'm not fond of using stale one-liners, but—'reports of my death have been greatly exaggerated.' I'm as alive now as I was on the day we met, except, maybe, more so." If the dead could speak, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? In pages filled with wisdom, humor, and, yes, joy, New York Times best-selling author Mike Dooley explores our most pressing and profound questions about the afterlife—and this life—from the fresh perspective of those who have made the transition to the next phase. Among the revelations and insights they share: • We were ready; you are not. • There's no such thing as a devil or hell. • We're sorry for any pain we may have caused. • Your pets are just as crazy, brilliant, and loving here as they were there. • Nothing we say can prepare you for the beauty of the moment you arrive. You'll learn that our loved ones are not lost to us; that our time on earth is both a school and an adventure; that, all appearances to the contrary, life truly is fair; and that we have it in us to reshape our own fortunes, starting today.

Despite what you might have been told, we're not inherently selfish. The truth is we're inherently kind. Scientific evidence has proven that kindness changes the brain, impacts the heart and immune system, is an antidote to depression and even slows the ageing process. We're actually genetically wired to be kind. In *The Five Side Effects of Kindness*, David Hamilton shows that the effects of kindness are felt daily throughout our nervous system. When we're kind we feel happier and our bodies are healthiest. In his down-to-earth and accessible style, David shares how: • Kindness makes us happier • Kindness is good for the heart • Kindness slows ageing • Kindness improves relationships • Kindness is contagious

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles: • There is an invisible energy force or field of infinite possibilities. • You impact the field and draw from it according to your beliefs and expectations. • Your connection to the field provides accurate and unlimited guidance. • The universe is limitless, abundant, and strangely accommodating. E-Squared is the remarkable truth that spiritual seekers have been looking for over the centuries. Discover why everyone is talking about it TODAY!

E-Squared, the international hit sensation described by one reader as "The Secret on crack," provided the training wheels, the baby steps, to "really getting it" that thoughts create reality. In E-Cubed (don't worry—there will never be E to the 10th Power), Pam Grout takes you higher and deeper into the quantum field, where you'll prove that blessings and miracles are natural and that joy is only a thought away. With nine new experiments and more tips on how to keep the gates of the world's largesse and abundance wide open, this book is chock-full of incontrovertible evidence that the universe is just waiting for us to catch up, just waiting for us to begin using the energy that has always been available for our enjoyment and well-being.

The ultimate all-in-one prosperity bible, featuring updated editions of the greatest works by the champion wealth builder of all time, Napoleon Hill. The timeless personal success writings of Napoleon Hill have inspired millions of readers to reach for and achieve their dreams since his debut book appeared in 1928. Now, three of Hill's most dynamic titles are available together for the first time, revised and updated in this convenient omnibus edition: Think and Grow Rich, one of the bestselling books of all time and one of the most successful reissues in recent publishing history, is Hill's landmark volume on wealth building. The Magic Ladder to Success, available nowhere else, is the volume in which Hill first distilled the seventeen factors that make up his "Law of Success" philosophy. These seventeen factors are composed of specific beliefs and actions that enable leaders to triumph in many fields. The Master-Key to Riches is the actual handbook once used by Hill and certified teachers of his success methods. This is the reference that the master teacher provided for the teaching of his ideas. While all three titles are revised to avoid arcane language or points of references, each features the full range of ideas and exercises that appeared in the original volumes. These are the self-help classics that most marked Hill's success as the greatest prosperity teacher in history. Together, they provide the ultimate guide to attaining the life of your dreams.

Why Celebrities Swear by These 15 Powerful Techniques As The Secret to Anything You Want in Life Do you easily complain or start nagging whenever something isn't going your way? Do you give fault and make others responsible for your misery? Are you annoyed looking around seeing others having exactly what you want in life? Believe it or not, you are the driver of your own life and no one else can steal your seat...if you don't let them. What if there were straight-forward, easy principles to get everything you want in life? Maybe you already manifest regularly or you've heard of it, but never consciously tried it. Using manifestation means using the power of your thoughts, feelings, or beliefs to bring something into your physical reality. At first, it sounds abstract, but science has proven, everything is made of energy objects, animals, thoughts, and humans. There are laws that control how this energy flows and where it goes just as there are laws of gravity and laws of growth. The more you know about these laws the easier it is to navigate the energy you need in the right direction. No wonder that even stars like Will Smith, Jim Carrey, Oprah Winfrey, and Lady Gaga swear by manifestation as the secret to their success. Jim Carrey makes it sound really simple. He says: "As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass." Yet, there are reasons why some people are better at manifesting than others. There are a couple of fundamentals you need to understand in order to apply manifestation effectively. With a little guidance and the right techniques, your best life is waiting for you. This is only a select sample of what you'll discover in The Magic of Manifesting Flap or Fab: Why you should care about manifestation more than you think The scientific secret behind changing your reality Why you might be manifesting your misery and how to avoid these common mistakes The smartest and most powerful way to attract anything you want in life How scientists manipulate your life with one particular weakness that outweighs all of science's strengths Is everything connected? Essentials about energy, flow, and connection Why your ego is the enemy and what you can do about it 15 techniques to guarantee your manifestation success story The #1 mental exercise Olympians and star athletes practice daily to increase their performance Intention vs. goals: The major difference and which is best to achieve success in life The biggest money lie revealed and how to create true abundance Warning Signs that you have a scarcity mindset and how to get rid of it And much more. If you think "manifesting" is just another 2021 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool. Stop waiting for life to happen to you and start creating your best life right now. If you want to effortlessly get what you want, scroll up and click on "Buy now with 1-Click".

You will feel like you have a loving expert coach by your side along the way."—Heather Dane, co-author with Louise Hay of *Loving Yourself to Great Health*

Profoundly Disconnected : A True Confession from Mike Rowe by Mike Rowe

Why Meditate? The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available—but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung, who said that one of the main functions of formalized religion is to protect people against a direct experience of God." (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?"

Forget about drilling, filling, and the inevitable billing. Your teeth can heal naturally because they were never designed to decay in the first place! They were designed to remain strong and healthy for your entire life. But the false promises of conventional dentistry have led us down the wrong path, leading to invasive surgical treatments that include fillings, crowns, root canals and dental implants. Now there is a natural way to take control of your dental health by changing the food that you eat. *Cure Tooth Decay* is based upon the pioneering nutritional program of dentist Weston Price, former head of research at the National Dental Association. Dr. Price's program proved to be 90-95% or more effective in remineralizing tooth cavities utilizing only nutritional improvements in the diet. *Cure Tooth Decay* is the result of five years of research and trial and error that started as one father's journey to cure his daughter's rapidly progressing tooth decay. With *Cure Tooth Decay* you will join the thousands of people who have learned how to remineralize teeth, eliminate tooth pain or sensitivity, avoid root canals, stop cavities -- sometimes instantaneously, regrow secondary dentin, form new tooth enamel, avoid or minimize gum loss, heal and repair tooth infections, only use dental treatments when medically necessary, save your mouth (and your pocketbook) from thousands of dollars of unneeded dental procedures, and increase your overall health and vitality.

Named one of the Best Books of 2014 by NPR As seen on The Today Show A hand-drawn path to inner peace! *Your Illustrated Guide to Becoming One with the Universe* will set you free on a visual journey of self-discovery. Set against a surreal backdrop of intricate ink illustrations, you will find nine metaphysical lessons with dreamlike instructions that require you to open your heart to unexplored inner landscapes. From setting fire to your anxieties to sharing a cup of tea with your inner demons, you will learn how to let go and truly connect with the world around you. Whether you need a little inspiration or a completely new life direction, *Your Illustrated Guide to Becoming One with the Universe* provides you with the necessary push to find your true path--and a whimsical adventure to enjoy on the way there. The New York Times bestselling author, teacher, and speaker provides the next step beyond his immensely popular *Notes from the Universe* trilogy with this special 10th anniversary edition of the modern classic that contains even more enriching wisdom for living an abundant, joyous life. We create our own reality, our own fate, and our own luck. We are all filled with infinite possibilities, and it's time to explore how powerful we truly are. With clear-eyed and masterful prose, *Infinite Possibilities* effortlessly reveals our true spiritual nature and exactly what it takes to find true happiness and fulfillment. Witty and intelligent, this is "the perfect book at the perfect time. It is full of wisdom, answers, and guidance—a unique combination that is guaranteed to help anyone during times of change and transition" (Ariane de Bonvoisin, bestselling author of *The First 30 Days*). This tenth anniversary edition features a new foreword by Bob Proctor and a new introduction from the author. This gem of a book presents God as a positive life force that, when tapped, can send our lives spinning in an exciting new direction. It explains how spiritual "experiments" work, and provides concrete instructions for using these principles to improve one's life. Ten spiritual concepts are introduced, with a suggested 48-hour experiment to prove each one. Some examples of these principles are: 1) There's a power and force in the universe that can heal; 2) Your thoughts create your reality; and 3) By directing your mind, you can create more abundance, joy, and love in your life. Written in a conversational, contemporary voice, *God Doesn't Have Bad Hair Days* will appeal to the spiritual believer who's a fan of such bestsellers as *The Prayer of Jabez* and *Simple Abundance*, as well as to the spiritually curious who seek fulfillment outside traditional Christian denominations. The spiritual skeptic, too, will be drawn to this attractive book and its cheeky, no-nonsense tone.

ACIM, the Fun Version! A real-world rewrite of the lessons of *A Course in Miracles* by the #1 New York Times best-selling author of *E-Squared*. *A Course in Miracles* is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in *Miracles* as a doorstop. You'll want to use it, every day, to change your life.

This is a Summary of Pam Grout's *E-Squared: Nine Do-It-Yourself Energy Experiments That Prove Your Thoughts Create Your Reality*

Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. It says prove. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. For years, you've been hoping and praying that spiritual principles are true. Now, you can know. E-Squared proves the following: 1. There is an invisible energy force or field of infinite possibilities. 2. You impact the field and draw from it according to your beliefs and expectations. 3. You, too, are a field of energy. 4. Whatever you focus on expands. 5. Your connection to the field provides accurate and unlimited guidance. 6. Your thoughts and consciousness impact matter. 7. Your thoughts and consciousness provide the scaffolding for your physical body. 8. You are connected to everything and everyone else in the universe. 9. The universe is limitless, abundant, and strangely accommodating. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 200 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This summary is not intended to be used without reference to the original book.

If you're holding this book in your hand, then you've already changed your life. Are you still waiting for your ship to come in? Looking for the relationship you can't seem to find? Working just to pay the bills until that perfect job comes along? Don't you wish that you could just place an order for the life that you want? Well, you can! And you don't have to chant, meditate, pray, fast, work, or do anything--just relax. And there won't be any bill to pay. Seems impossible? That's what the author said: "If, after reading this book, you think that cosmic ordering is total nonsense, but you decide to place an order with the universe anyway just to prove me wrong, then you have subscribed to this ordering service just the way I first did. And you just might start as wonderful a journey towards an easier, more fulfilling life." The Cosmic Ordering Service is a guide to realizing your dreams. Best-selling author Barbel Mohr can teach you how to fulfill all your wishes--just by placing an order with the universe. You'll learn how she has used the Cosmic Ordering Service to gain her dream job, the ideal man, money, health--even a castle to live in! Mohr will show you, as she has taught hundreds of thousands of European readers, how to listen to your inner voice, place your order, sit back, and let marvelous things happen. The hard part is deciding what you really want. Once you've figured that out, this charming, witty, and insightful book is going to tell how to get it.

Zen Driving can make each driving experience enjoyable, whether it's a daily hour-long drive to work, or a ten-minute run to the local Safeway. You may well ask, what is Zen driving? The Japanese word zen literally means meditation, and meditation means being fully aware, fully in touch with your surroundings. When you are in a meditative state, you are in your natural self, your Buddha self—and you can do it while driving. But why Zen driving? The purpose of Zen Driving, the book, is to introduce you to your natural self, which is what remains when you still your mind and ignore your chattering ego. When you do this, you gain confidence in your ability, and finally you are that ability. The frustrations of other drivers cutting you off or causing you to sit through two red lights because they're too timid to make a left turn on yellow will no longer make your blood pressure explode. Zen Driving will teach you to look, simply observe without qualification, and then make your move. Zen driving is effortless, spontaneous, nondeliberate. It is being one with the road. And in turn, driving becomes a pathway to consciousness, an activity that clears the mind and soothes the soul, something to take with you all those other times when you're not behind the wheel.

More than one hundred stories of families tracking down their roots provide readers with inspiration and support. Original. TV Tie-in. \$100,000 ad/promo. (PBS series, beginning April 2000)

In Sacred Ceremony: How to Create Ceremonies for Healing, Transitions, and Celebrations, Steven Farmer offers ideas on how to create your own ceremonies to consecrate the critical events and passages that you experience on your life's journey.

In the West, we have everything we could possibly need or want—except for peace of mind. So writes Linda Leaming, a harried American who traveled from Nashville, Tennessee, to the rugged Himalayan nation of Bhutan—sometimes called the happiest place on Earth—to teach English and unlearn her politicized and polarized, energetic and impatient way of life. In Bhutan, if I have three things to do in a week, it's considered busy. In the U.S., I have at least three things to do between breakfast and lunch. After losing her luggage immediately upon arrival, Leaming realized that she also had emotional baggage—a tendency toward inaction, a touch of self-absorption, and a hundred other trite, stupid, embarrassing, and inconsequential things—that needed to get lost as well. Pack up ideas and feelings that tie you down and send you lead-footed down the wrong path. Put them in a metaphorical suitcase and sling it over a metaphorical bridge in your mind. Let the river take them away. Forced by circumstance and her rustic surroundings to embrace a simplified life, Leaming made room for more useful beliefs. The thin air and hard climbs of her mountainous commute put her deeply in touch with her breath, helping her find focus and appreciation. The archaic, glacially paced bureaucracy of a Bhutanese bank taught her to go with the flow—and take up knitting. The ancient ritual of drinking tea brought tranquility, friendship, and, eventually, a husband. Each day, and each adventure, in her adopted home brought new insights and understandings to take back to frantic America, where she now practices the art of "simulating Bhutan." This collection of stories, impressions, and suggestions is a little nudge, a push, a leg up into the rarefied air of paradise—of bright sunlight and beautiful views. Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life.

Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout's bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There's even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks! From woe is me to yippie-ti-yi-yay!!

The Five Elements brings the wisdom of an ancient healing system to modern readers, helping them understand themselves--why they do what they do--better. Dondi Dahlin shows us that we are all born with individual rhythms that go beyond the influence of our genes and upbringing. The five elements originated in ancient Chinese medicine over 2,000 years ago--when scholars theorized that the universe is composed of five forces: water, wood, fire, earth, and metal. Understanding these elements helps us stay in balance physically, mentally, spiritually, and emotionally. By explaining the efficacy of wood, the depth of water, the joy of fire, the compassion of earth, and the wisdom of metal, this book helps people understand themselves and form lasting connections to others, answering the age-old question of why we do what we do.

"A rare gift: an inspiring tale about trees, trauma and the very purpose of life." —Andrew Nikiforuk, author of Empire of the Beetle Diana Beresford-Kroeger—a world-recognized botanist and medical biochemist—has revolutionized our understanding of the natural world with her startling insights into the hidden life of trees. In this riveting memoir, she uncovers the roots of her discoveries in her extraordinary childhood

in Ireland. Soon after, her brilliant mind bloomed into an illustrious scientific career that melds the intricacies of the natural world with the truths of traditional Celtic wisdom. *To Speak for the Trees* uniquely blends the story of Beresford-Kroeger's incredible life and her outstanding achievement as a scientist. It elegantly shows us how forests can not only heal us as people but can also help save the planet. Based on Lawrence Block's extremely popular seminar for writers. Discover Block's tips for overcoming writer's block and unleashing your creativity.

Most of us focus on thinking positively to create what we really want in life. But science shows it's actually our feelings that matter most. In her relatable and engaging way, psychologist and researcher, Melanie Dean, Ph.D., explains not just what to do to shift your emotions and focus your energy to attract the people, things, and opportunities you want most in life, but how and why it works. Once you understand that your feelings and emotions are real energy waves that go out into the world and connect with (or repel) others, you can start to notice and shift your emotions—and intentionally direct your energy—so you are sending out the waves that will connect with what you really want. By reading *The Hidden Power of Emotions*, you will discover:

- There is a whole world of energy at work in, around, and through you.
- Your emotions, which are more powerful than your thoughts, create energy waves that leave your body, connecting with similar energy.
- Your emotions are the way in which you receive communication back from the shared energy field.
- How to purposefully direct your emotions to connect you with what you want to receive.

Throughout the book, Dean highlights the science behind your power as well as specific tips and strategies to help you apply it in your everyday life, including a Power Zapper section of common struggles that weaken your power, and a Power Booster section of recommendations for increasing your personal power.

An accessible approach to helping anyone struggling with depression to reclaim a joyful life. From feeling exhausted or blue to not being able to get out of bed, depression happens on a spectrum and can affect anyone. Our current approach of medicine and therapy doesn't always offer all the answers. But according to Amy B. Scher, that's not as much of a mystery as you might think. If you've done everything to heal from depression but are still stuck, you're not alone. Amy sees it as the literal depression of self—a side effect of being buried under our lives. It's not all in your head. It's not all in your body, either. It happens in the whole self. But just as depression happens in every part of you, healing does too. Scher's bestselling books have been endorsed by prominent physicians and helped thousands of people overcome chronic illness, emotional challenges, and more. With *How to Heal Yourself from Depression When No One Else Can*, she brings her proven approach of using energy therapy for releasing emotional stress and trauma to one of the most widespread mental health challenges of our time. In this book, you'll:

- Learn how invisible emotions may be negatively affecting you
- Understand why it's okay to stop chasing that mountain of happiness we've been programmed to chase (spoiler alert: it doesn't even exist)
- Release stuck emotional baggage, even if you don't know what it is
- Use emotional healing techniques such as The Sweep to release subconscious beliefs and Thymus Test & Tap to clear stuck emotions from the body
- Learn how to release patterns like perfectionism, lack of boundaries, fear, and more that contribute to depression
- Get answers for your healing from your subconscious mind
- Finally end the cycle of depression and become the happiest, healthiest version of yourself

Amy has proven that working with the body's energy system for deep transformation is often effective when nothing else works. Here she brings much-needed relief to anyone who wants to end the cycle of depression and rediscover the inherent wellness that resides in each of us.

With her trademark humor, enthusiasm, and no-nonsense guidance, #1 New York Times bestselling author of *E-Squared* Pam Grout invites you on a yearlong "apprenticeship" to recognize and unleash your innate creativity. Making art does not necessarily mean painting a gallery-worthy still life or belting out a Grammy-winning song. It simply means finding a way to give your inner muse a voice in this world. Sure, there's drawing, dancing, singing, and writing. But there's also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at-home film festival. Each week features a project of self-examination, an inspirational message, a real-world example of a celebrity who has addressed similar obstacles, and three zany activities to awaken your infinite creativity. It's time to declare the beat of your own drum.

Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation. *The Path of Energy* is a unique handbook of principles, practices and exercises to help you access your energy awareness and live a more empowered life. In the book are 13 meditations that activate patterns of light within your energy body to awaken specific abilities and levels of awareness. Each meditation includes benefits and purpose, step-by-step written directions augmented with line drawings, and an interpretive illustration of the completed energy pattern. Subtle energy is more than life force; it is the substance of reality and the vehicle of consciousness. Your body is wired to navigate this domain. You are equipped with everything needed to engage the world of energy and creatively change your life. You simply need to remember how. *The Path of Energy* is a guide to living with expanded consciousness. Included are techniques that build energy awareness and use this skill to deepen your spiritual path, intimacy in relationships, align with earth energy, clear space, create protection, manifest goals, facilitate healing, and more.

A bold affirmation that we are sentient before conception and in the womb, *The Secret Life of Babies* reveals author Mia Kalef's groundbreaking findings: babies are able to remember their earliest experiences, this consciousness precedes the physical development of the brain itself, and medical interventions during birth—like forceps and Cesareans—can imprint our relationships with the world and disconnect us from our sustainable place in the ecosystem. Kalef provides a six-step protocol for detecting these individual imprints and taking reparative steps for physiological and emotional balance and release. This book offers us an articulate guide to a transformation that can restore our essential nature. "This is the story of a year I spent in New York, studying with Yoga Master Alan Finger." When Katrina Repka moved to New York, she was eager to shed her past and begin a new life, but she soon discovered that her old problems had followed her to the big city, and that instead of finding herself, she was more lost than ever. It was when she was almost ready to give up on everything that she read a magazine article on Master Yogi Alan Finger and knew that she had to meet him. It was a meeting that would

change her life. Over the next twelve months, with Alan's help, Katrina tackled and overcame many of the obstacles holding her back. Dealing with issues that every woman will relate to--criticism, emptiness, balance, family, and creativity (among others)--the twelve chapters in Breathing Space follow Katrina's ups and downs in New York. At the end of each chapter there is a simple but effective breathing exercise that will help readers eliminate harmful behavior patterns and speed their own process of personal transformation. Breathing Space is an inspiring and instructive book that offers every woman the chance to follow the author's path and become the person she truly wants and deserves to be.
