In this 2015 revised edition by Living Dreams Press, "You Are Psychic" continues to open the eyes of readers and reverse the "blindness" of those cut off from their greatest gifts of in-sight and healing. Topics covered include: psychic readings, Clairvoyant healing methods, communicating with your creator and your guides, Transformation, psychic protection techniques and the business of spirituality. This book will take your abilities to levels never imagined and facilitate your profound transformation into empowerment and living the life you were meant to live. The first edition of You are Psychic: The Art of Clairvoyant Reading and Healing was published by Llewelyn Worldwide in 2004 and was received with extraordinary acclaim and sold tens of thousands of copies across the globe. This improved edition has been updated to reflect the changing times of having a successful intuitive guiding business in a more technologically advanced world. It incorporates extraordinary insights of the author, whom has been conducting clairvoyant readings, trainings and mentoring sessions for thousands of clients and budding psychics for two decades. She has also collaborated with the top psychic researchers and remote viewers to conduct scientific studies, serving both as scientist and subject. In this edition, she fine-tunes techniques based upon those endeavors. One of the greatest values this book has is its normalizing and comforting effect: by sharing intimate details of her own readings along with step by step techniques, she catalyzes "breakthrough" experiences that changes lives for the better and shows readers that clairvoyance is fun, numinous and enlightening. Perhaps most importantly, those who experiment with the material in this book will gain immediate awareness of the profound connection all beings have with each other.
