

Terra Formars 19

A year has passed since the survivors of the Annex mission to Mars returned to Earth. But the war with the Terraformars is far from over! The struggle continues in secret, deep beneath the streets of Tokyo. Akari, now working for a private security firm, looks for dangerous new ways to seek out and destroy the Terraformars before the world is overwhelmed by the alien cockroaches from Mars! -- VIZ Media

The Terraformars have infested Japan and the war for Earth is on! The aliens have evolved and so have Earth's warriors, striking back against the invaders in new and powerful ways. As Japanese and American fighters face the onslaught, Michelle sets out on a mission to take Shokichi away from General Kai... -- VIZ Media

Wurzel, the Berühren board of directors, has decided to free Suiso Arahabaki at the urging of one of its members, Chief Operating Officer Honest. But this move may be part of a broader power play. The megacorporation's sinister influence reaches every level of the city, from the halls of justice to the back streets, where Juzo continues to search for a way to free himself from Berühren's grasp. Destroying Suiso might just be the way to do so, but Suiso himself is unlike any opponent Juzo has faced before... -- VIZ Media

In order to protect their crewmates, Akari and Michelle use their abilities and head into battle against the Terraformars, who have evolved unique and terrifying new forms! The enemy's astounding strength forces them into an unexpectedly desperate fight. Meanwhile, the whereabouts of the other teams scattered around Mars become clear, and the battle between humans and the demons they created reaches a new intensity. -- VIZ Media

Goki Shibukawa and Doppo Orochi have been scratched off Mohammad Alai Jr.'s list! The next beast standing in his way is none other than Baki's half-brother, Jack Hammer!! Has the child prodigy finally met his match?!

Mankind's final nightmare has become reality—the Terraformars have reached Earth! While the world's governments scramble to deal with the situation, humanity's best hope, the members of the Annex 1 expedition, are still trapped on Mars. Getting back to Earth is now not just humanity's only hope for survival, it's a race against time! -- VIZ Media

As Ivan closes in on the alien leader, the Invoker, the Terraformar army attacks in full force. Elsewhere, Shokichi and Akari square off in a final confrontation to settle things between them. Now the fate and pride of the human race rests on the shoulders of those who have sacrificed their own humanity to be its defenders. When faced with an unimaginable enemy, what will they do if their inhuman strength can't save them? -- VIZ Media

After humanity's first manned mission to the Red Planet was lost, a second expedition arrives. The explorers prepare to exterminate the cockroaches that were used to transform the Martian environment, but are shocked to discover that the

insects have mutated into giant, aggressive humanoids with one overriding goal—exterminate the humans! However, this crew of explorers has each undergone the “Bugs Procedure,” terrifying experimental surgery designed to make them more than human... -- VIZ Media

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Adrian Tchaikovsky's award-winning novel *Children of Time*, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age - a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?

Deep in the Hole, the survivors of En's family continue their mission to revive their slain leader with some "enhanced interrogation" of a Cross-Eye member. The rest of the Cross-Eyes finally come face-to-face with their long-lost boss. And Risu, Asu, and an even more powerful Nikaido find themselves on a surprisingly dangerous quest: getting her gyoza business up and running again. -- VIZ Media

Koro Sensei's lessons in verbal defense are put to the test when Karma must use his brains instead of his brawn to rescue a classmate.

Then things finally begin to go smoothly for the students of 3-E. Everyone receives some good news about their futures, and Nagisa settles on a career goal. But the peace is broken when the world's nations miraculously manage to coordinate their efforts long enough to launch a plan to assassinate Koro Sensei—with the aid of the strongest mercenary in the world and an ultimate weapon! Will anyone break ranks to protect everyone's favorite tentacled teacher...? -- VIZ Media

Thailand, twenty years after the ill-fated Bugs 2 mission. Two American U-NASA agents arrive to find Akari Hizamaru, a “child born after the procedure,” and recruit him for Annex 1, a new mission to Mars. The purpose of Annex 1 is to research the origins of a new disease that is ravaging the earth. But the reasons why U-NASA would need the incredible powers that Hizamaru possesses are still a closely guarded secret. Once again, humanity launches an expedition to Mars that has frightening implications for the future. -- VIZ Media

La population terrienne en constante augmentation épuise toujours plus les ressources de sa planète. Seule solution pour éviter l'extinction : faire proliférer sur Mars l'unique forme de vie capable d'endurer son environnement et de le rendre habitable... le cafard. An 2599 : La terraformation entre dans sa phase finale et les rampants doivent maintenant être exterminés. À bord du vaisseau spatial “Bugs 2”, quinze jeunes gens venus des quatre coins du globe, et génétiquement modifiés en vue de cette tâche, s'apprêtent à atterrir sur Mars. Ils ignorent encore tout du sort de leurs prédécesseurs disparus en tentant de remplir la même mission... Et si la théorie de l'évolution ne s'appliquait pas qu'à l'Homme ?

A giant swarm of Terraformars is bearing down on the escape vehicle where Bao from Division 4 is holding Akari and the others captive. Virtually defenseless, Bao contemplates a horrific course of action. Meanwhile, Marcos and his team head underground with a plan to hack into the Annex's communications array and attempt to contact Earth. But Bao's treachery and his unique ability may be the end of them all,

if the Terraformars don't kill them first! -- VIZ Media

In the late 26th century, overpopulation on Earth is reaching the breaking point, and humanity must find new frontiers. The terraforming of Mars has taken centuries but is now complete. The colonization of Mars by humanity is an epoch-making event, but an unintended side effect of the terraforming process unleashes a horror no one could ever have imagined... Keiji Onizuka and Team 1 are fighting as hard as they can, but the Terraformars use a clever stratagem to put them in a tight spot. Running low on their serum, the members of Team 1 may be finished unless Akari and Michelle can bail them out. But will engaging the new Terraformar cause Akari to lose himself completely? Meanwhile, Asimov's team goes into the pyramids, where they find the first transmitter whose signal was lost. How did it get there, and what does it say about what the Terraformars may be planning?

Shocked by the actions of the Terraformars hiding on Earth, Akari and the members of Ichi Security are more determined than ever to root them out. Tracking down leads points them to an unexpected hideout and the true identity of the enemy mastermind. The forces opposing them now may be more than they can handle on their own... -- VIZ Media

In a sad reflection of the situation on Earth, factions among the human explorers on Mars fall into conflict with each other, a fight they can ill afford as the relentless Terraformars continue to close in on them. The cockroaches have begun to display more human-like qualities, and the battle becomes even more desperate. If the humans can't set aside their differences long enough to face this threat, death is the only guaranteed outcome... -- VIZ Media

The Annex 1 survivors find themselves fighting on all fronts against the Chinese forces sent from earth to wipe them out. As if that weren't enough, the Terraformars themselves aren't letting up on their attacks either. A plan is formulated to rescue the Annex 1 crew, but to carry it out, they'll have to cross through hostile territory while under assault all the way! -- VIZ Media

Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive--and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills--and a relentless, dogged refusal to quit--he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

In the cyberpunk metropolis of Neo Saitama, Kenji Fujikido is an average salaryman whose wife and children are suddenly assassinated. Tracking the murder back to a ninja, Fujikido trains to seek vengeance - initially on those who murdered his family, but ultimately on every ninja on the planet.
