An insightful journey through all the biblical names of God, Jesus Christ, and the Holy Spirit. Beginning in Babel and ending with a burning Babylon, "The Name Quest" explains the significance that the different names for God have for an everyday relationship with God and for spiritual growth. The names of God are like a rainbow--each name expresses part of the spectrum of the character and attributes of God. Along the way, the author tenderly answers tough questions: Which of the Hebrew names of God is His personal name--Yahweh or Jehovah? What does it mean to pray in Jesus' name? How can we relate to the Holy God and the Judge? Why is a God of love called the "Jealous God"? What does it mean to call Jesus the Messiah? "The Name Quest" mentions all the names of God in the Bible while explaining their significance in ordinary language. The author weaves together fifteen years of Bible study research with plentiful illustrations and humorous anecdotes. These include lessons learned as a pastor on a Caribbean island. A visit to a Welsh hill farm introduces a chapter about the Good Shepherd. The story of a Hungarian political prisoner illustrates the meaning of Immanuel (or is it Emmanuel?) A rescue from the slopes of an active volcano helps explain salvation and the meaning of Jesus' Hebrew name Yeshua. Even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in God. Unlike chasing rainbows, the spiritual journey has an end. "The Name Quest" is a road map for every Christian's spiritual journey and it points to the destination--being formed into the image of Jesus Christ.

If Jews and Christians both believe in the same God, why is there such division? Why is history littered with deathly accounts of this division, from the early Jewish persecution of Christians to the Crusades' slaughtering of Jews? The Lion of Judah unpacks the roots of this division, showing how jealousy, theology, the law, and the integration of Gentile believers into what was once a predominantly Jewish early church contributed to the schism. It then goes on to reveal how Jesus magnificently fulfilled every word in the Bible. Readers will discover why the Lion of Judah is the rightful Lord and King of all people--Jews, Christians, Muslims, Buddhists, Sikhs, atheists, and the rest of creation. This book will help Christians understand the history of Christianity and Judaism, get into greater alignment with God's plan of redemption, be better equipped to share the gospel with Jewish people, and become more sensitive to and appreciative of their Hebraic heritage.

power in this masterful retelling by Gilbert Morris. Joseph seems to be the one who will be chosen to carry on the family name and birthright, but Jacob makes a startling announcement: "The scepter will not depart from Judah until Shiloh comes..."

This historical novel, *The Lion of Judah: Menelik the First*, is the second of two closely linked stories by Harold Bergsma, the first of which was *Tamrin: Merchant of Aksum*. In this work, Menelik, (considered to be a saint by many in Ethiopia and also known as "The Lion of Judah") will become the First Emperor of the Aksumite Kingdom, and thus in modern thought, of Ethiopia. Enjoy this fascinating and compelling story-whether you deem it fiction or historical or both! Dr. Harold M. Bergsma acknowledges it is based on significant research of his own and documentation by historians held in high esteem. Harold M. Bergsma has published several professional and scholarly works as well as nine novels, all dealing with international topics and characters. His work has been awarded three literary awards. His novel, *Bonded*, was published by Rupa International Press, November 2012, and depicts the life of a boy bonded to a carpet manufacturer in Pakistan, his struggle to survive and eventual escape with another boy to find home. His later work, a historical novel, *Tamrin: Merchant of Aksum*, portrayed the travels of Tamrin, merchant for the Queen of Sheba, to the countries surrounding the Red Sea and the Indian Ocean. In this novel, Menelik is the co-protagonist with Tamrin. Mal Ankh is the interlinked primary antagonist, and Miriam the secondary antagonist, the daughter of Tamrin. Tamrin was the captain and leader of guards and chief organizer in all Makeda's (Queen Sheba) trading expeditions. The geographical setting is what is now called Ethiopia (Empire of Aksum), or as some ancient books called the country, Abyssinia, near to the time of the death of King Solomon, 921 B.C. Historical novels have been around for an exceptionally long time. This work is one of them-and a captivating one. Menelik's biological father was Solomon, according to several legendary sources including the *Kebra Negast*, and in this story also the biological father of Mal Ankh, who was a son by one of his father's many concubines in Israel, as the story goes. (Song of Solomon) Harold Bergsma has been strongly influenced by India, Pakistan, Yemen, Nigeria, Ethiopia and other countries in Africa. His father, a medical missionary traveled with the family by freighter to Ethiopia, Aden and India taking his family with him. Bergsma's earliest years were in Ethiopia; his later childhood years in India near the North West Frontier Province. International living and travel, language learning and cross-cultural socialization marked Bergsma strongly. He learned Hindustani as a youth. He returned later in a professional capacity as consultant for USAID, World Bank and Asian Development Bank in projects related to institution building and management training. He earned his doctorate at Michigan State University in International Development Education and African Languages and Linguistics. His first international work experience was in Nigeria (1955-1967) as the founding principal, helping to establish two secondary schools in remote sections of that country, before and after Independence. He speaks and writes in the Tiv language and studied the Hausa language at Michigan State University and became a Fellow of the African Studies Center. \*\*\*\*\*The Lion of Judah is Harold Bergsma's first work published by Manor Publishing Collective (MPC), a new not-for-profit publishing company specifically for senior authors. From Jerusalem to the Lion of Judah and Beyond provides the most thorough analysis of Israel's foreign policy towards East Africa. Since its modern reestablishment, Israel has sought political allies in the international community. To achieve that goal, Israel offers technological, economic and military assistance to developing nations. Historically, four East African countries—Ethiopia, Kenya, Uganda, and Tanzania—were prime beneficiaries of that effort. Later, these efforts were extended to Eritrea and South Sudan. Israel has been demonstrating its willingness to offer a far greater share of its limited resources to international assistance, than practically any other nation, large or small. Since 1948, Israel's foreign policy towards East Africa exemplifies these immortal words: I will also give thee [Israel] for a light to the nations, that My salvation may be unto the end of the earth. Isaiah 49:6. The chronicles of these laudable activities are little known, even to post World War II historians. No other book to date

How do I humble myself? Humility, according to the Bible, is not something we can just up and do. Both the negative and positive examples of Scripture—from Pharaoh to Rehoboam, from Josiah to Ahab, from Hezekiah to Manasseh, and even to Christ himself—teach us that humility first comes from the hand of God. He initiates the humbling of his creatures. And once he has, the question confronts us: Will you receive it? Will you humble yourself in response to his humbling hand, or will you kick against him? This concise, accessible study of Scripture's humble-self language uncovers two surprising lessons about the pursuit of humility in the Christian—both what we cannot do and also what steps we can take.

Many things have competed for the attention of the Beloved of the Lord. Religion is ever waving its tentacles, trying to detain her. The Spirit of this age assaults her defenses with ever increasing ferocity. At times, it has seemed like her attention has been completely captured by inferior suitors. Now, God's patience is exhausted. And many can hear His Roar reverberating in the heavenlies. And it is not the sound of an approaching storm front? although it may be accompanied by one, both in the natural and spiritual realm! It's a demand, a shout of ownership that cannot be silenced. It is not a request, nor a gentle suggestion. It is the righteous demand of the Conqueror; the Lion of Judah Bridegroom King; Who comes to claim the one who is rightfully His. He doesn't beat around the bush or employ diplomatic negotiating strategies! The Bridegroom WILL have what He purchased with the Bridal Price of His precious Blood! And so, with a bone-rattling, earth-shattering roar, He bellows: ?GIVE ME BACK MY WIFE!?
