In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always

The world is broken-- more so than we know. But for those who know that Christ is coming to establish a new and perfect order, ours is not just a world to endure but a world to invade. Believers have not been stationed here on earth merely to subsist but to actively subvert the enemy's attempts at blinding people in unbelief and burying them under heartbreaking loads of human need. The kingdom of God changes all that.

Adherents of every other religion must “work” to reach up to their god. The God of Christianity reaches out to His human creation and takes the initiative to form a personal relationship with each one. J.D. Fleck paints a beautiful portrait of this extraordinary interaction between God

and mankind in “God knows my name” and the nine other essays that constitute the book, *In Pursuit of God*. He calls this effort a “pursuit”, with a goal of helping each follower of Christ form a closer relationship with their Creator, Savior and Lord. Each essay is a treasure trove of truth that you can easily be completed in thirty minutes or less, but which you'll want to read and re-read again for the importance of the gems contained therein. The knowledge garnered does not have to be strained for; for it's God's good pleasure to reveal the mysteries and principles of His kingdom to His kids. With the same clarity that *Soaring above the Storm* took us onto the spiritual battlefield of the mind and revealed both the enemy's strategies and God's overwhelming plan for victory, J. D. Fleck's most current work, *In Pursuit of God* takes the follower of Christ through the gates of the Kingdom to produce a vibrant picture of what it means to please God and to enter “the secret place of the Most High.” *In Pursuit of God* might well be considered a prequel to *Soaring*, for it reflects the author's more than three decades of service to the Lord, and his insight into Kingdom principles. J. D. Fleck previously shared his knowledge of the supernatural realm and spiritual warfare; now his focus is on the unconditional love and amazing grace which God has bestowed upon His faithful.

In the world there are certain laws and principles that govern economics, such as the law of supply and demand. In the Kingdom of God there are also certain laws and principles governing economics. Some are parallel to the world's laws and some are opposing. Jesus devoted a significant part of His ministry to teaching about money matters and economic principles. In this book Dr. LaHay discusses Kingdom Principles for Living and the impact they've had in the Kingdom and in his life. "The final will and testament signed with the blood of the Lamb has been executed. Through His Word, who is Jesus (John 1:14), and through His divine power all of our needs have already been met. Jesus declared "It is finished," so come on in -the water is fine! Kingdom Economics: God's Way of Doing Things will take you on a journey through Kingdom economic principles found throughout God's word and how they apply to everyday life. This book examines God's Way of Doing Things including: Renewing Your Thinking - The Key to Kingdom Living Kingdom Laws That Govern Sowing and Reaping Becoming a "Practitioner" of the Word Pursue God, Not Things, and Things Will Pursue You Demand and Supply in the Kingdom LINE UP YOUR LIFE WITH THE WORD OF GOD AND THE WORD OF GOD WILL LINE UP WITH YOUR LIFE. "We all have a choice as to how we will see this world, through our eyes or through God's. In recounting his experiences, the author demonstrates why God's view is the best choice. With an honest tone and a humble manner the author blesses his readers in allowing them to learn from his mistakes. God is glorified; readers edified." - Xulon Press

My purpose for writing this book is to share Biblical insights that correspond with Stewardship. I believe our people in the pews want to learn what God says about giving. Hopefully, this study will reach believers who need instruction on this topic. Scripture has much to say about money and material possessions. Sixteen of the thirty-eight parables of Jesus deal with money. One out of every ten verses in the New Testament deal with this subject. Scripture has 500 verses on prayer, less than 500 verses on faith, but over 2,000 verses on the subject of money. Money is an extremely important issue because a person's attitude towards it determines his relationship with God, his purpose in this life, and his character. I encourage you to read this book to see how God has put together a wonderful way for Christians to act as a conduit of His material and spiritual blessings. God's plan for Biblical Stewardship allows believers to faithfully share what the Lord places in their trust. About the Author: Dr. Donald Gamble is a graduate of Luther Rice Seminary. He has served churches in the two Carolinas and Florida. It is this writer's belief that when God's people are taught the principles of stewardship, they will be obedient in giving. Dr. Gamble resides in Waxhaw,

This book is a manifesto for church life and Christian living. It is a book that will challenge what we believe and how we live. The book wrestles with key passages in the Bible and offers principles for a just spirituality. The book comes out of practice and reflection. Arno has been training leaders, pastors and missionaries for many years combined with his experience as a church leader, a

local pastor and being the overseer of an international network of churches. The book offers an alternative to a superficial faith that leads to bog standard answers. Instead, Arno encourages us all to have a good look at the context of each passage and to evaluate it in the light of the life and ministry of Jesus. Church life as well as Christian living becomes life transforming when what we believe and what we do look and sound like Jesus.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.

The normal Christian life should be anything but "normal"—it should be supernatural, one in which the living God expresses His very life in us and through us. With *So Much More!* Pastor Todd Hudson challenges all believers to embrace the supernatural power of God as a lifestyle. Todd is no stranger to his message. His own life has been supernaturally "wrecked," he says,

by the Holy Spirit. When God called him to resign from the 4,000-member evangelical megachurch he led for nine years and plant a Spirit-filled church, he began a new ministry of calling believers to live in resurrection power today, not someday in the future. If you know deep inside that there must be so much more to the Christian life, then Todd will help you discover how to experience and release the kingdom in your life today—and tomorrow! Two thousand years ago the Lord Jesus Christ sat down on a hillside in Galilee, and set forth fundamental principles by which individuals could be happy. If those fundamental principles are followed, Christian individuals will be salt and light to society. In this easy-to-read book on Jesus' most famous sermon—"The Sermon on the Mount"—Dr. Murrell explains what it means to be "salt and light," the simplicity and clarity of the gospel, what role love plays in the Christian life, the importance of living ethically, and so much more. If you desire to grow in grace and truth, if you want to know how to live as a member of the kingdom, this is a must-read! The church in the West is rediscovering the fact that God cares deeply for the poor. More and more, churches and individual Christians are looking for ways to practice economic discipleship, but it's hard to make progress when we are blind to our own entanglement in our culture's idolatrous economic beliefs and practices. Practicing the King's Economy cuts through much confusion and invites Christians to take their place within the biblical story of the "King Jesus Economy." Through eye-opening true stories of economic discipleship in action, and with a solid exploration of six key biblical themes, the authors offer practical ways for God's people to earn, invest, spend, compensate, save, share, and give in ways that embody God's love and provision for the world. Foreword by Christopher J. H. Wright. In *Applying the Kingdom*, the third book in his Kingdom series, Dr. Myles Munroe makes the

case that the key to abundant living is found in establishing priorities in one's life and living by them. Topping his list is the priority, Kingdom First!

"A kingdom man is the kind of man that when his feet hit the floor each morning the devil says, 'Oh crap, he's up!'" So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes readers along a journey through the principles of biblical manhood, exploring how those who live, work, and minister around a kingdom man benefit from his leadership and care. Men will be challenged to fully understand their position under God as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn't want you to know it, but you're not the man you think you are. You're a whole lot more. Starting now, you can be a kingdom man.

Provides a detailed examination of the principles, concepts and characteristics of the Kingdom of God, including Kings and Lords, Territory and Law, Citizens and Royal privilege, Culture and Economy as well as Destiny.

We do not have to travel to some foreign country to locate the mission field. Right here, literally in our backyards, the world has come to us. The church's basic mission is to preach the gospel of the kingdom of God; this message has social and political aspects to its application. This is the fundamental responsibility of the church. This message is holistic and affects the total

person. As the church develops a comprehensive and practical understanding of missions, this will propel Christians to act out their missional call. The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives. To capture the full essence of missions, this book introduces a process called strategic evangelism. This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus, to develop a better awareness of local missions, and to introduce a process that will assist people to live out the mission by engaging their communities.

Have a life of financial victory. “Stewardship? What’s that got to do with me?” you might ask. Tony Evans explains that all we think we own really belongs to God. And when we think of “our” money that way, we can learn to be good stewards, or managers, of what has been entrusted to us. Living in Financial Victory carefully lays out how we should approach the vital topic of money in the areas of: Stewardship — Using what we have to further God’s kingdom agenda Rewards — The blessings and benefits of doing it God’s way Victory — Overcoming debt and financial bondage Tony Evans will help you discover the answers to everyday financial issues by showing you that God has a purpose for your money. Take the journey through this concise and practical book.

Manifesto: "a written statement declaring publicly the intentions, motives, or views of its issuer." The Sermon on the Mount (Matthew 5-7) is Jesus' most definitive statement of the principles of Kingdom living. In this study we'll seek to understand Jesus' radical teaching within its context of first century Judaism - then translate the principles into our own lives today. If we can understand what Jesus meant and absorb that into our spirit, we can grow to become the kind of disciples that make Him proud. The Sermon on the Mount provides an ethical and philosophical framework that can help us order our lives as Christ followers. But organized religion has domesticated Jesus and watered down his message,

providing a low-dose familiarity that can make us immune to Jesus' full-strength teaching. Here we allow Jesus' uncompromising message to both shame us and enflame us to become part of a Christ-committed counter-culture to challenge the present world order. This examination of Jesus' manifesto in the Sermon on the Mount, with its provocative discussion questions, provides an excellent 13-lesson study for personal enrichment, for use by small groups and classes, and for sermon preparation by teachers and preachers.

Discover Secrets about the Kingdom of God Over twenty years ago, I asked the Lord to show me the "big picture." I wanted to know what the kingdom of God was really all about. The denomination that I was raised in told me that there was nothing else to get once you were saved. But if there was more, I wanted to know what it was. Could I access it? The Lord began to reveal to me the kingdom of God and the principles that govern it. Over the years, little by little, He has led me into the discovery of these principles. Much of what is in this book is certainly taught in our churches today, but not nearly to the depth that the Lord opened to me. God unfolded seven principles that govern the kingdom of God that every born-again follower of Jesus Christ needs to understand. I studied and meditated

on these principles until they became "Rhema" revelation to me, and I began to walk in a higher discipline in the kingdom realm than ever before. Now my spirit is more receptive to the things of the kingdom. I may not know everything about the kingdom of God, but I believe that even those who have been in ministry for many years will find revelation in this book that they didn't know before. Let's journey together to the Realms beyond the Gate!

What are the true kingdom principles that Jesus Christ taught? Why are so many churches failing our communities and the world? If you are searching for the answer to these questions, this book has them. Many churches have abandoned the true principles of the Kingdom. So many religious leaders today have become lovers of money, the world and of themselves, rather than of the people that they are supposed to be helping. Because of this, people have lost faith in the Church. This book was written to address and to correct those issues. It teaches the true principles of the Kingdom of God, while exposing the error, ignorance, and many false teachings of the Church-particularly tithing. It reveals the truth about what the Lord's will is concerning his true Church and your life. This book highlights many issues that the Church has created by not teaching the truth to the people, while giving you the keys to living a full and blessed life. God's Kingdom Principles are what the world needs-not more scandals, not more church politics,

not more organizations, and certainly not more traditions. God knows what he's doing. So if you apply his principles to your life, they will work. And he will show you exactly what Kingdom Living is all about. It doesn't matter if you worship God in a building or in your home. What matters is what he sees when he looks into your heart! And that is what this book is designed to do: change your heart! But it will also change your life. For you shall know the truth and the truth will set you free.
